Shaky Ground The Sixties And Its Aftershocks

Bonnie G. Smith

Shaky Ground The Sixties And Its Aftershocks:

Shaky Ground Alice Echols, 2002 Upending many of our assumptions about American culture since the 1950s this text particularly focuses on the notion that the 60s represented a total rupture and that the 70s marked the end of meaningful change

Canada's Other Red Scare Scott Rutherford, 2020-12-17 Indigenous activism put small town northern Ontario on the map in the 1960s and early 1970s Kenora Ontario was home to a four hundred person march popularly called Canada's First Civil Rights March and a two month long armed occupation of a small lakefront park Canada's Other Red Scare shows how important it is to link the local and the global to broaden narratives of resistance in the 1960s it is a history not of isolated events closed off from the present but of decolonization as a continuing process Scott Rutherford explores with rigour and sensitivity the Indigenous political protest and social struggle that took place in Northwestern Ontario and Treaty 3 territory from 1965 to 1974 Drawing on archival documents media coverage published interviews memoirs and social movement literature as well as his own lived experience as a settler growing up in Kenora he reconstructs a period of turbulent protest and the responses it provoked from support to disbelief to outright hostility Indigenous organizers advocated for a wide range of issues from better employment opportunities to the recognition of nationhood by using such tactics as marches cultural production community organizing journalism and armed occupation They drew inspiration from global currents from black American freedom movements to Third World decolonization to challenge the inequalities and racial logics that shaped settler colonialism and daily life in Kenora Accessible and wide reaching Canada's Other Red Scare makes the case that Indigenous political protest during this period should be thought of as both local and transnational an urgent exercise in confronting the experience of settler colonialism in places and moments of protest when its logic and acts of dispossession are held up like a mirror

Girl Groups, Girl Culture Jacqueline Warwick, 2013-10-31 Then He Kissed Me He's A Rebel Chains Stop In the Name of Love all these songs capture the spirit of an era and an image of girlhood in post World War II America that still reverberates today While there were over 1500 girl groups recorded in the 60s including key hitmakers like the Ronettes the Supremes and the Shirelles studies of girl group music that address race gender class and sexuality have only just begun to appear Warwick is the first writer to address 60s girl group music from the perspective of its most significant audience teenage girls drawing on current research in psychology and sociology to explore the important place of this repertoire in the emotional development of young girls of the baby boom generation *Girl Groups Girl Culture* stands as a landmark study of this important pop music and cultural phenomenon It promises to be a classic work in American musicology and cultural studies

Surfer Girls in the New World Order Krista Comer, 2010-09-28 Explores surfing as a local and global subculture looking at how the culture of surfing has affected and been affected by girls from baby boomers to members of Generation Y

We Believe the Children Richard Beck, 2015-08-04 Of the many hundreds of people who were investigated in connection with day care and ritual abuse cases around the country some 190 were formally

charged with crimes leading to more than 80 convictions But none of it happened It was a decade long outbreak of collective hysteria on a par with the Salem witch trials Using extensive archival research conducted in Los Angeles Miami New York Minneapolis and elsewhere and drawing on dozens of interviews conducted with the hysteria s major figures n 1 editor Richard Beck shows how a group of legislators doctors lawyers and parents most working with the best of intentions set the stage for a cultural disaster Psychiatrists and talk therapists turned dubious theories of trauma and recovered memory into a destructive new kind of psychotherapy Social workers and detectives employed coercive interviewing techniques that led children to tell them what they wanted to hear

Debating Dissent Gregory S. Kealey, Lara Campbell, Dominique

French political culture has long been seen as a model of leftist militancy while the left in the United States is often perceived in terms of organizational discontinuity Yet the crisis of social democracy today suggests that at a time when the archetypal European welfare state is in danger critics and citizens interested in understanding or reviving progressive politics are invited to consider the United States where modes of creative activism recurrently demonstrate potentialities for a renewed leftist culture Using a transatlantic perspective this volume identifies activist influence through the designation or rejection of specific intellectual and militant figures across generations and it examines various narrative modes used by militants to write their own history *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

American Culture in the 1960s Sharon Monteith, 2008-10-08 This book charts the changing complexion of American culture in one of the most culturally vibrant of twentieth century decades It provides a vivid account of the major cultural forms of 1960s America music and performance film and television fiction and poetry art and photography as well as influential texts trends and figures of the decade from Norman Mailer to Susan Sontag from Muhammad Ali's anti war protests to Tom Lehrer's stand up comedy from Bob Dylan to Rachel Carson and from Pop Art to photojournalism A chapter on new social movements demonstrates that a current of conservatism runs through even the most revolutionary movements of the 1960s and the book as a whole looks to the West and especially to the South in the making of the sixties as myth and as history Hall-Dennis and the Road to Utopia Josh Cole, 2021-07-15 The quarter century that followed the end of the Second World War was marked by intense social and economic transformation the changing face of postwar capitalism a revolution

in communications technology the rise of youth culture and the pronounced ascent of individual freedom all contributed to a dramatic push to remake and thus improve society This push was especially felt within education the primary vehicle for modernizing the postwar world from the ground up Hall Dennis and the Road to Utopia explores this moment of renewal through a powerful and influential education reform project 1968 s Living and Learning The Report of the Provincial Committee on Aims and Objectives of Education in the Schools of Ontario The Hall Dennis report as it became known urged Ontarians to accept a new vision of education in which students were no longer organized in classes their progress no longer measured by grades and their experience no longer characterized by the painful acquisition of subjects but rather by a joyous and open ended process of learning This new democratic system of education was associated with the highest ideals of postwar progress liberalism and humanism yet its recommendations were paradoxically both profoundly radical and fundamentally conservative Its avant garde research strategies and controversial post literate curricular reforms were balanced by a pedagogical approach designed to mould students into obedient citizens and productive economic actors As Canadians once again find themselves asking fundamental questions about the aims and objectives of education under radically changing circumstances Josh Cole revisits Hall Dennis to show how the committee and its report represent a significant moment in Canadian cultural and political history a prescient document in the history of education and a revealing expression of the fragmentary circumstances of global modernity in the second half of the twentieth century

The Battle for Christian Britain Callum G. Brown, 2019-10-17 Exposes the mechanisms by which conservative Christianity dominated British culture during 1945 65 and their subsequent collapse

Lee Lozano Jo Applin, 2018-01-01 An illuminating study of an overlooked artist from the 1960s whose work has recently returned to the limelight This is the first in depth study of the idiosyncratic ten year career of Lee Lozano 1930 1999 assuring this important artist a key place in histories of post war art The book charts the entirety of Lozano s production in 1960s New York from her raucous drawings and paintings depicting broken tools genitalia and other body parts to the final exhibition of her spectacular series of abstract Wave Paintings at the Whitney Museum of American Art in 1970 Highly regarded at the time Lozano is now perhaps best known for Dropout Piece 1970 a conceptual artwork and dramatic gesture with which she quit the art world Shortly afterwards she announced she would have no further contact with other women Her dropout and boycott of women lasted until her death by which time she was all but forgotten This book tackles head on the challenges that Lozano poses to art history and especially to feminist art history attending to her failures as well as her successes and arguing that through dead ends and impasses she struggled to forge an alternative mode of living

Lee Lozano Not Working looks for the means to think about complex figures like Lozano whose radical politically ambiguous gestures test our assumptions about feminism and the right way to live and work

Hippies Micah Issitt, 2009-10-22 An insightful introduction to hippie culture and how its revolutionary principles in the 1960s helped shape modern culture This title explores how hippies and 1960s counterculture in general developed and

influenced popular culture in America Covering the years between 1961 and 1972 this is the first volume focused exclusively on the emergence growth and lasting legacy of hippie culture on everything from clothing hair styles and music to attitudes toward sex and drugs and anti war anti establishment activism Hippies includes a chronology topical chapters on hippie culture biographies primary documents and a glossary Coverage ranges from an examination of hippie involvement in drug use politics sexual behavior and music and a contemporary perspective on lasting impact of hippies on modern American life Readers will encounter famous icons of the era from Abbie Hoffman to Timothy Leary while getting a real sense of what life inside the hippie counterculture was like

Sonic Interventions Sylvia Mieszkowski, Joy Smith, Marijke de Valck, 2015-07-14 Sonic Interventions makes a compelling case for the importance of sound in theorizing literature subjectivity and culture Sound is usually understood as our second sense and as our belief in a visually dominated culture prevails remains of secondary interest Western cultures are considered to be predominantly visual while other societies are thought to place more importance on the acoustic dimension This volume questions these assumptions by examining how sound differs from and acts in relationship to the visual It moves beyond theoretical dichotomies between the visual and the sonic the oral and literature and instead investigates sonic interventions in their often multi faceted forms The case studies deal with political appropriations of music and sounds they explore the poetic use of the sonic in novels and plays they develop theoretical concepts out of sonic phenomena and pertain to identity formation and the practice of mixing in hip hop opera and dancehall sessions Ultimately the book brings to the fore what roles sound may play for the formation of gendered identity for the stabilization or questioning of race as a social category and the conception of place Their intricate interventions beckon critical attention and offer rich material for cultural analysis

Pop Goes the Decade Martin Kich, Aaron Barlow, 2020-01-07 Analyzing complex social and political issues through their manifestations in popular culture this book provides readers a strong foundational knowledge of the 1960s as a decade 1969 went out in a way that could never have been imagined in 1960 While the president at the end of the decade had been vice president at the start the intervening years permanently changed American culture Pop Goes the Decade The Sixties explores the cultural and social framework of the 1960s addressing film television sports technology media advertising fashion art and more Entries are presented in encyclopedic fashion organized into such categories as controversies in pop culture game changers technology and the decade s legacy A timeline highlights significant cultural moments while an introduction and a conclusion place those moments within the contexts of preceding and subsequent decades Attention to the decade s most prominent influencers allows readers to understand the movements with which these figures are associated and discussion of controversies and social change enables readers to gain a stronger understanding of evolving American social values

Watching Women's Liberation, 1970 Bonnie J. Dow, 2014-10-30 In 1970 ABC CBS and NBC the Big Three of the pre cable television era discovered the feminist movement From the famed sit in at Ladies Home Journal to multi part feature stories on the

movement's ideas and leaders nightly news broadcasts covered feminism more than in any year before or since bringing women's liberation into American homes In *Watching Women's Liberation 1970 Feminism's Pivotal Year on the Network News* Bonnie J Dow uses case studies of key media events to delve into the ways national TV news mediated the emergence of feminism's second wave First legitimized as a big story by print media the feminist movement gained broadcast attention as the networks eagerness to get in on the action was accompanied by feminists efforts to use national media for their own purposes Dow chronicles the conditions that precipitated feminism's new visibility and analyzes the verbal and visual strategies of broadcast news discourses that tried to make sense of the movement Groundbreaking and packed with detail *Watching Women's Liberation 1970* shows how feminism went mainstream and what it gained and lost on the way

Modern American Drama: Playwriting in the 1960s Mike Sell, 2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include Edward Albee *The American Dream* 1960 Who's Afraid of Virginia Woolf 1962 *A Delicate Balance* 1966 and *Tiny Alice* 1964 Amiri Baraka *Dutchman* 1964 *The Slave* 1964 and *Slaveship* 1967 Adrienne Kennedy *Funnyhouse of a Negro* 1964 *Cities in Bezique* *The Owl Answers* and *A Beast's Story* 1969 and *A Rat's Mass* 1967 Jean Claude van Itallie *American Hurrah* 1966 *The Serpent* 1968 and *War* 1963

The Development of Popular Music Function in Film Anthony Hogg, 2019-11-27 This book offers a unique examination of the development of popular music function in film It assesses the contribution of popular music to the interpretation of the most significant films covering the period from rock n roll's initial introduction at the opening of *Blackboard Jungle* to the backlash against disco which followed soon after the release of *Saturday Night Fever* By dividing this period into five phases The Classical American Musical Phase The British Invasion Phase The New Hollywood Alienation Phase The Disco Phase and The Post Disco Conservative Phase the book pinpoints key moments at which individual developments occurred and lays out a path of expansion in popular music function Each chapter offers close analyses of this period's most innovative films examines the cultural historical technical and industrial factors peculiar to each phase and considers the influence of these upon the specific timing of functional advances

Shaky Ground The Sixties And Its Aftershocks Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shaky Ground The Sixties And Its Aftershocks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shaky Ground The Sixties And Its Aftershocks has opened up a world of possibilities. Downloading Shaky Ground The Sixties And Its Aftershocks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shaky Ground The Sixties And Its Aftershocks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shaky Ground The Sixties And Its Aftershocks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shaky Ground The Sixties And Its Aftershocks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shaky Ground The Sixties And Its Aftershocks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shaky Ground The Sixties And Its Aftershocks has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shaky Ground The Sixties And Its Aftershocks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
