Shame Of Sin:

You Can't Sin Elijah T. Sog, 2010-05 In this book Elijah T Sog is given rare deep insight into the subject matter of sin from God's perspective as you dig into this book you will find that Christ already condemned sin and has given the power to put sin in subjection to all his children You will find out that the issue of Sin is not one of the issues of life but the issue of life it is your victory over sin that determines your placement in this life and the life to come and as the Spirit of God pours out His heart you will get answers If you ever want to be free from sin and stay free then read this book and study it and meditate on the content and you will find the truth in it will set you free Whosoever is born of God doth not commit sin for his seed remaineth in him and he cannot sin because he is born of God 1 John 3 9 It is clear that in this physical life many people have struggled with this statement and the most difficult part is where God says cannot sin this book will explain all that to you John says if you are born of God and God's seed remains in you and the Word is the seed you can't sin this is the summary of the content of this book that God has made all provisions for you not to sin and this book reveals where the provisions are and how to use them so that 1 John 3 9 may be fulfilled in your life To live in sin is to serve sin and no man can serve two masters this book is the manual on victory over sin and his works **The Shameful Sin, with the Exceeding Sinfulness, and Evil Effects of it**, 1743

Affect and Emotion in Multi-Religious Secular Societies Christian von Scheve, Anna Berg, Meike Haken, Nur Ural, 2019-09-16 Emotions have moved center stage in many contemporary debates over religious diversity and multicultural recognition As in other contested fields emotions are often one sidedly discussed as quintessentially subjective and individual phenomena neglecting their social and cultural constitution Moreover emotionality in these debates is frequently attributed to the religious subject alone disregarding the affective anatomy of the secular This volume addresses these shortcomings

bringing into conversation a variety of disciplinary perspectives on religious and secular affect and emotion The volume emphasizes two analytical perspectives on the one hand chapters take an immanent perspective focusing on subjective feelings and emotions in relation to the religious and the secular On the other hand chapters take a relational perspective looking at the role of affect and emotion in how the religious and the secular constitute one another These perspectives cut across the three main parts of the volume the first one addressing historical intertwinements of religion and emotion the second part emphasizing affects emotions and religiosity and the third part looking at specific sensibilities of the secular The thirteen chapters provide a well balanced composition of theoretical methodological and empirical approaches to these areas of inquiry discussing both historical and contemporary cases _____ **OR, A DISCOURSE CONCERNING THE**
