and smiles winsomely at the camera That s the spirit I wanted to capture in my fictional Alice My first book Risen is a supernatural thriller about people coming back from the dead not as zombies but perfectly healthy The idea was to explore the question What is the value of life without death The Summer We Lost Alice a more mainstream book not a horror novel is also about rebirth I was able to play with differing viewpoints about the afterlife from the skeptic s point of view Ethan in the story to the spiritual believer s Heather with a touch of traditional faith Flo It s a story of loss and how it destroys a family and how that family manages to come together to heal itself All wrapped in the guise of a paranormal mystery thriller And there s a dog of course Old Boo Got to have a dog
