

Shared Reading Weekly Planning

Day 1 Focus:

- Reading for comprehension
- Using our super powers and new strategies to solve tricky words

Book Title: Every Living Thing Stories by: Cynthia Rylant p.1-7 *Slower Than the Rest*

Warm Up (1-2 mins) • Quickly reread a familiar text (a poem, song, chant, chant, or the word wall) to build confidence, excitement, and fluency.	Have students read the word wall together.
Book Introduction • Tell why you chose the book • Introduce no more than three unfamiliar vocabulary words or key concepts Vocabulary Words: jerked, grumbled, sympathetic, cardboard, declined, congenial, frantically, clomp, irritating, mediator, plague <i>(see circle on the words for your students)</i>	We are going to read a short story today about a little boy and his turtle. I picked this story because I think some of my friends will be able to understand the character very well.
First Read • Read cover to cover, with fluency/expressions • Invite children to chime in as you read • Cover 4-5 words or parts of words to practice word solving strategies (M.S.V) • Cross-check: "Does it make sense, sound right, and look right?"	You can use some of the words that I have listed above if you did not use them for vocabulary words. If you used them for a vocabulary word then you will need to select other words for this.
After Reading (1-2 mins) • Retell • Fluency • Word Work Activity	Practicing retelling will be a useful way to close this shared reading. Begin by helping students retell the beginning, middle, and end of the story you have just read, working to determine what's important to retell. You can write the retell on chart paper so that you can use it during the week.
