The Church and the Surprising Offense of God's Love (Foreword by Mark Dever) Jonathan Leeman, 2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God's love and God's gospel are different than what the world expects writes Jonathan Leeman They're centered in his character which draws a clear boundary between what is holy and what is not It's this line that the local church should represent in its member practices because the careful exercise of such authority is God's means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God's Love responds with biblical theological and

practical guidance from both corporate and individual perspectives It s a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority **Life's Missing Link** Benjamin Fred Hedges,2019-04-24 Bucket lists bank accounts and bouncing babies on the knees are wonderful but these and other earthly delights can t fill the vacuum if we live a life void of God As Fr Larry Richards stated God created us to know Him love Him and serve Him in this world so we can be happy with Him in the next But it s also important to note that we have a choice When God created us he didn t make us subservient to Him We are not His toys God gives us free will as Fred references throughout the book Fred not only shares his gradual realization of this fact but provides important information he hopes will help others looking to live their lives to its completeness and fullness **From Trauma 2 Triumph** Antoinette Spade,2020-02-11 Love What is it Can a person describe love Can love even be described Throughout time it has been heard that love can be defined in different ways That there are different types and styles It has been heard that love could be defined as an attraction driven by the chemicals in our brains such as adrenaline dopamine and serotonin an infatuation a feeling an emotion an action and even as much as a choice In this book you will read of how a woman experienced the Storge empathy Philia friendly Eros romantic types of love throughout her life at the onset of trauma that cost her identity therefore leading her through life searching for the only type of love that not only covered all her mistakes and bad decisions but also experienced the only type of love that she needed called the Agape unconditional type of love The trauma Antoinette experienced stemmed from various types of abuse she went through during her childhood at which when she reached her teen years had prompted her to embark on different endeavors during those years into the adult years of her life The most crucial and important type of love there is to be found by everyone including Antoinette It was when she found that type of love did she realize that there really and truly was someone who did see her as a person a human that noticed and loved her for who she was Someone not only fully loved her but also fully knew her even when she was in her mother s womb This love my friend was the love that she had been longing for searching for her whole life It took for her to experience this love that she finally recognized someone was chasing her all along and didn t even know it This love that was given to Antoinette was not merely because she was attracted by this someone no she was chosen by this someone because of the unconditional love that He had for her He made a choice which is an action He made a sacrifice for her but He knew He had to let her experience all that she did in order for her to find the love that she longed for It has been 16 years since she has found this love and it hasn t faded away for her nor did it ever leave or hurt her not one time Because of this very reason Antoinette would like to share who gave her this love and let you know that this love is being given to you too I must assure you Antoinette is of NO exception to this very love by any means and she would just like to share her story with you in hopes that you will find this very same love too It doesn t matter who we are where we come from or even what we did in our life because we too are worth being loved the very same way that she was at all costs This love that Antoinette found was totally

worth finding She found it so worthy that she is willingly choosing to share it with all of us in hopes of us accepting the value of our own worth to accept this very same love too Contact Information secretagent4jesus@gmail.com
