## **Sharing The Dream White Males In A Multicultural America:**

**Sharing the Dream** Dominic Pulera, 2004-10-20 White males 100 million strong constitute approximately 35 percent of the U S population a percentage that declines slightly each year They matter very much to discussions of race ethnicity and gender in the US due to their numbers and the enormous influence they have wielded and continue to wield In this highly original and readable work Dominic Pulera offers the broadest and most balanced treatment of the white male experience in America to date He contends that virtually all white males are sharing the American dream with women and people of color in response to the nation s changing demographics and the multicultural mindset that informs policies and attitudes in our nation Some white males are sharing the dream voluntarily others are doing so involuntarily The author also explores the heterogeneity of white male America taking into account such factors as age ethnicity ideology social class regional background occupational status and sexual orientation This timely work relies on a broad range of sources including extensive field research and hundreds of interviews along with the best primary and secondary sources available It includes original historical treatments discussion of contemporary dynamics and comparative material that takes into account the experiences of peoples in other countries In doing so Pulera places white males in the context of America s ongoing transition from a predominantly white country to one where people of color are increasingly numerous and consequently becoming more visible Dominic J Pulera is an independent scholar who lectures and writes about issues related to race ethnicity and gender In the wake of his first book *Visible Differences Why Race Will Matter to Americans in the Twenty First Century* he spoke at 13 universities on 4 continents and appeared on a one hour segment of Book TV C Span He has been a frequent guest on radio and television programs in Atlanta Baltimore Chicago Detroit Los Angeles Philadelphia and Washington D C

**Washed in Blood** Claire Sisco King, 2011-11-25 Will Smith in *I Am Legend* Leonardo DiCaprio in *Titanic* Charlton Heston in just about everything Viewers of Hollywood action films are no doubt familiar with the sacrificial victim hero the male protagonist who nobly gives up his life so that others may be saved *Washed in Blood* argues that such sacrificial films are especially prominent in eras when the nation and American manhood is thought to be in crisis The sacrificial victim hero continually imperiled and frequently exhibiting classic symptoms of post traumatic stress disorder thus bears the trauma of the nation Claire Sisco King offers an in depth study of three prominent cycles of Hollywood films that follow the sacrificial narrative the early to mid 1970s the mid to late 1990s and the mid to late 2000s From Vietnam era disaster movies to post 9 11 apocalyptic thrillers she examines how each film represents traumatized American masculinity and national identity What she uncovers is a cinematic tendency to position straight white men as America s most valuable citizens and its noblest victims *Brown Is the New White* Steve Phillips, 2016-02-02 NEW YORK TIMES BESTSELLER Despite the abundant evidence from Obama s victories proving that the U S population has fundamentally changed many progressives and Democrats continue to waste millions of dollars chasing white swing voters Explosive population growth of people of color in

America over the past fifty years has laid the foundation for a New American Majority consisting of progressive people of color 23 percent of all eligible voters and progressive whites 28 percent of all eligible voters These two groups make up 51 percent of all eligible voters in America right now and that majority is growing larger every day Failing to properly appreciate this reality progressives are at risk of missing this moment in history and losing A leader in national politics for thirty years Steve Phillips has had a front row seat to these extraordinary political changes A civil rights lawyer and a senior fellow at the Center for American Progress Phillips draws on his extensive political experience to unveil exactly how people of color and progressive whites add up to a new majority and what this means for U S politics and policy A book brimming with urgency and hope Brown Is the New White exposes how far behind the curve Democrats are in investing in communities of color while illuminating a path forward to seize the opportunity created by the demographic revolution

**political science is for everybody** amy l. atchison,2021-02-01 political science is for everybody is the first intersectionality mainstreamed textbook written for introductory political science courses While political science and politics are for everybody political institutions are neither neutral nor unbiased When we write political science textbooks that obscure the differences in how groups experience and interact with political institutions we do students a disservice This book exposes students to these differences while also bringing marginalized voices to the fore allowing more students to see their lived experiences reflected in the pages of their textbook Bringing together a diverse group of contributors political science is for everybody teaches all the basics of political science while showing that representation matters both in politics and in the classroom

**Black Men in Law School** Darrell Jackson,2018-03-19 Grounded in Critical Race Theory CRT Black Men in Law School refutes the claim that when African American law students are mismatched with more selective law schools the result is lower levels of achievement and success Presenting personal narratives and counter stories Jackson demonstrates the inadequacy of the mismatch theory and deconstructs the ways race is constructed within American public law schools Calling for a replacement to mismatch theory Jackson offers an alternative theory that considers marginalized student perspectives and crystallizes the nuances and impact that historically exclusionary institutions and systems have on African American law school students To further the debate on affirmative action this book shows that experiences and voices of African American law school students are a crucial ingredient in the debate on race and how it functions in law schools

**Black Mayors, White Majorities** Ravi K. Perry,2022-07-19 Recent years have seen an increase in the number of African Americans elected to political office in cities where the majority of their constituents are not black In the past the leadership of black politicians was characterized as either deracialized or racialized that is as either focusing on politics that transcend race or as making black issues central to their agenda Today many African American politicians elected to offices in non majority black cities are adopting a strategy that universalizes black interests as intrinsically relevant to the needs of their entire constituency In Black Mayors White Majorities Ravi K Perry explores the conditions in which black mayors of majority white cities are able to represent

black interests and whether blacks historically high expectations for black mayors are being realized Perry uses Toledo and Dayton Ohio as case studies and his analysis draws on interviews with mayors and other city officials business leaders and heads of civic organizations in addition to official city and campaign documents and newspapers Perry also analyzes mayoral speeches the 2001 ward level election results and city demographics Black Mayors White Majorities encourages readers to think beyond the black white dyad and instead to envision policies that can serve constituencies with the greatest needs as well as the general public

**Poles Apart** Alison Goldsworthy, Laura Osborne, Alexandra Chesterfield, 2021-09-09 Why do people become divided What steps can we all take to reduce hostility and bring about understanding Poles Apart has the answers In Poles Apart an expert on polarisation a behavioural scientist and a professional communicator explain why we are so prone to be drawn into rival often deeply antagonistic factions They explore the shaping force of our genetic make up on our fundamental views and the nature of the influences that family friends and peers exert They pinpoint the economic and political triggers that tip people from healthy disagreement to dangerous hostility and the part played by social media in spreading entrenched opinions And they help us to understand why outlooks that can seem so bizarre and extreme to us seem so eminently sensible to those who hold them Above all they show what practical and effective steps we can all take to narrow divisions build respect for others and create a greater degree of common understanding

---

Poles Apart is an extraordinary achievement fresh deeply authoritative and entertaining on every page Everyone talks about polarisation but no one does it like Goldsworthy Osborne and Chesterfield You ll finish this book wiser kinder and more hopeful than when you started it Jamie Susskind author of Future Politics A fascinating and thought provoking analysis of the divisions between us how we bridge them how we reshape the world and ourselves too Essential reading Cathy Newman presenter of Channel 4 News and author Asks the best question I have ever heard And critically offers solutions A must read Rory Sutherland Vice Chairman of Ogilvy UK and author of Alchemy Technology may have connected the world but it s now being exploited to divide and polarise us This is a pivotal moment for this book to be written read and understood Peter Gabriel musician

**Don't Stop Thinking About the Music** Benjamin S. Schoening, Eric T. Kasper, 2011-12-16 In this insightful erudite history of presidential campaign music musicologist Benjamin Schoening and political scientist Eric Kasper explain how politicians use music in American presidential campaigns to convey a range of political messages From Follow Washington to I Like Ike to I Got a Crush on Obama they describe the ways that song use by and for presidential candidates has evolved including the addition of lyrics to familiar songs the current trend of using existing popular music to connect with voters and the rapid change of music s relationship to presidential campaigns due to Internet sites like YouTube JibJab and Facebook Readers are ultimately treated to an entertaining account of American political development through popular music and the complex two way relationship between music and presidential campaigns
