see people you know You listen to a sermon together And then you go home feeling just as isolated as you did before What's going on We all know that a church is supposed to be a community The trick is to actually make it one Communities don't happen by chance certainly not in our Lone Ranger culture that values independence and individualism A truly Christian community must be built by intentional practices that allow for deeper connections centered on the unity that can only be found in Christ In *A Field Guide for Genuine Community* longtime pastor and discipleship trainer Ben Connelly shows you that the biblical model for community is the family of God In twenty five short practical readings he takes you beyond the surface and helps you learn to connect with your brothers and sisters as true family members The church isn't meant to be a collection of strangers God intends for you to find a unified and purposeful household where you truly belong [Sharing My Faith in God and His Promise of a Miracle Before It Happens](#) Kathy Puder, 2024-07-22 Kathy Puder shares some of the incredible ways she has experienced God's presence through events in nature and in life in this book A few times she has audibly heard God calling out to her to give her guidance assurance and direction during some very difficult times It was during one of those moments that she heard God share His promise of healing her In this book she will share a little about that time and His promise before the miracle happens She also reveals encounters a few of her friends have also had in which they audibly heard a promise from God and the miracles that followed for them or their loved ones who God had healed Throughout this book the author emphasizes that when we put faith first it is amazing to see the beauty that He graces us with When we display our faith for others to see are sharing God's love with others and are encouraging others to grow in or start their walk with God we will be fulfilling our mission as children of God **Asking for Wonder** Elaine M. Flores, 2025-03-05 My journey of faith hasn't been a straight easy path It's been a winding road filled with twists turns and unexpected detours From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy depression and anxiety my story is one of both immense challenge and unwavering hope I've experienced moments of profound connection with God where His love has washed over me like a tidal wave I've also stumbled through seasons of doubt where I questioned His existence and His plan for my life I've been hurt by a church community that failed to live up to its calling of inclusion and love I've felt isolated and alone overwhelmed by the physical and emotional burdens of my disability Yet through it all God's love has persisted His hand has been a steady guide leading me through darkness and into the light This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life It's a testament to the healing power of God a celebration of His unwavering love and a beacon of hope for others who are struggling with similar challenges I invite you to join me on this journey a journey of faith vulnerability and ultimate triumph Prepare to be challenged to be moved and to be reminded of
