Cheryl's childhood is full of love. Raised on the farm and the youngest of ten siblings, she worships God every Sunday and basks under the praise of her mother. But she has a tendency to look at the other side of life and wonder what it's like. The popular crowd is so glamorous and full of fun. Could their way of living be better than hers? When Cheryl moves into her first apartment, things begin to fall apart. No longer under the protection of her mother, she is independent now, and that means she is in charge of making her own decisions. She starts hanging out with old schoolmates. When she realizes they are doing drugs, she throws caution to the wind and decides to try them. But drug addiction is not a pretty thing. Cheryl's life spirals out of control as she becomes not only a user but a dealer. She thinks she can get herself out of this mess alone, yet those years of Sunday school and church worship tell her she needs to turn to the Lord. Listening to that small voice proves more difficult than she imagined, however, and her partying lifestyle may just lead her in the opposite direction.

**Freckle Juice** Judy Blume, 2024-11-05 More than anything in the world, Andrew wants freckles. His classmate Nicky has freckles; they cover his face, his ears, and the whole back of his neck. Once sitting behind him in class, Andrew counted eighty-six of them, and that was just a start. One day after school, Andrew screws up enough courage to ask Nicky where he got his freckles. And as luck would have it, who should overhear him but giggling, teasing Sharon, who makes frog faces at everybody. Sharon offers Andrew her secret freckle juice recipe for fifty cents. That's a lot of money to Andrew, five whole weeks' allowance. He spends a sleepless night torn between his desire for freckles and his reluctance to part with such a substantial sum of money. Finally, the freckles win, and Andrew decides to accept Sharon's offer. After school, Andrew rushes home with the recipe tucked into his shoe for safekeeping. He carefully begins to mix the strange combination of ingredients and immediately runs into some unforeseen problems. How Andrew finally manages to achieve a temporary set of freckles, and then isn't sure he really wants them, makes a warm and hilarious story.
