Sharpstown Kids:

101 Ways I Have Tried to Make Money or Things I Learned After It Was Too Late Diana Dunaway, 2016-03-20 Written in short story format with self depreciating humor this memoir chronicles the enterprises both off beat and mundane of a serial entrepreneur Her efforts to make money to buy the good things in life start at age five when she sells rocks to the neighbors long before pet rocks became a fad and no one has heard of a new age rock shop The adventures continue from social worker to palm reader to hot air balloon pilot to bag lady with a mink coat selling frozen meat to computer programmer and beyond to retirement at age 68 The stories provide an easy to read How To list of ways the author has tried to make money often with hilarious and unexpected consequences The list also includes some ways how not to make money Although she is not a financial consultant and makes not claims to be one she shares her experience and offers opinions on what to do and not do based on her personal experience 101 Ways to Make Money is both an inventive memoir and a money making travelogue of adventures that are funny insightful and informative As you follow the trail of the author s money making life you ll laugh you ll cry and you ll wonder Why didn t I think of that As Bad as They Say? Janet Grossbach Mayer, 2011 A riveting story about the resiliency of Bronx high school students through the eyes of a passionate and dedicated teacher Rundown vermin infested buildings rigid slow to react bureaucratic systems Children from broken homes and declining communities How can a teacher succeed How does a student not only survive but also come to thrive It can happen and As Bad as They Say tells the heroic stories of Janet Mayer s students during her 33 year tenure as a Bronx high school teacher In 1995 Janet Mayer s students began a pen pal exchange with South African teenagers who under apartheid had been denied an education almost uniformly the South Africans asked Is the Bronx as bad as they say This dedicated teacher promised those students and all future ones that she would write a book to help change the stereotypical image of Bronx students and show that in spite of overwhelming obstacles they are outstanding young people capable of the highest achievements She walks the reader through the decrepit school building describing in graphic detail the deplorable physical conditions that students and faculty navigate daily Then in eight chapters we meet eight amazing young people a small sample of the more than 14 000 students the writer has felt honored to teach She describes her own Bronx roots and the powerful influences that made her such a determined teacher Finally the veteran teacher sounds the alarm to stop the corruption and degradation of public education in the guise of what are euphemistically labeled reforms No Child Left Behind and Race to the Top She also expresses optimism that public education and our democracy can still be saved urgently calling on all to become involved and help save our schools **Motion Picture Exhibitor** ,1962 Most issues include separately paged sections Physical theatre extra profits Review Servisection *Developing an Independent Reading Program* Erexenia Lanier, Susan Davis Lenski, 2008

The Scientist and the Serial Killer Lise Olsen, 2025-04-01 NATIONAL BESTSELLER The true story of how one dedicated forensic scientist restored the long lost identities of the teenaged victims of the Candy Man one of America s most

prolific serial killers A masterwork of crime writing Lise Olsen has taken a fifty year old story and made it new and fresh and terrifyingly real S C Gwynne New York Times bestselling author of Rebel Yell Houston Texas in the early 1970s was an exciting place the home of NASA the city of the future But a string of more than two dozen missing teenage boys hinted at a dark undercurrent that would go ignored for too long While their siblings and friends wondered where they had gone the Houston police department dismissed them as runaways fleeing the Vietnam draft or conservative parents likely looking to get high and join the counterculture It was only after their killer Dean Corll was murdered by an accomplice that many of those boys bodies were discovered in mass graves Corll known as the Candy Man was a local sweet shop owner who had enlisted two teens to lure their friends to parties where they would be tortured and killed All of Corll s victims bodies were badly decomposed some were only skeletal Known collectively as the Lost Boys many were never identified and some remained undiscovered Decades later when forensic anthropologist Sharon Derrick discovered a box of remains marked 1973 Murders in the Harris County Medical Examiner s office she recalled the horrifying crime from her own childhood and knew she had to act It would take prison interviews with Corll s accomplices advanced scientific techniques and years of tireless effort to identify these young men Investigative journalist Lise Olsen brings to life the teens who were hunted by a killer hiding in plain sight and the extraordinary woman who would finally give his unknown victims back their names and their dignity With newly uncovered information about the case *The Scientist and the Serial Killer* immerses readers in an astonishing story and reveals why these horrific events remain relevant decades later
