Shattered Sphere FASA Corporation, Fasa, 1999-03 **Spheres of Influence** Ryk Spoor, 2025-02-18 Sequel to popular space adventure Grand Central Arena Leader of the Faction of Humanity It was a ridiculous title but the Arena said that was what Captain Ariane Austin was since she'd led the crew of the Holy Grail in their discovery of the impossible physics violating place and their eventual return and when the nigh omnipotent Arena said something it meant it Ariane must discover what it means to be the Leader of Humanity both for herself and for humanity before her enemies at home or in the Arena depose her kill her or worse It will take all her luck Marc DuQuesne's indomitable will Simon Sandrisson's genius and the peerless skill of a living legend And in the end humanity's fate in the galaxy and beyond will hinge on the choice of an uncertain ally who has nothing to gain and everything to lose by aiding those neophyte upstarts the humans **Magician's Heir** D. Bruce Cotton, 2019-10-31 What if reality is the worst form of madness Loneliness a failing magic business and stacks of unpaid bills make amateur magician Adam Gray's life one of unending drudgery and desperation He's trapped in the tiny town of Elliston and excitement's not exactly knocking down his door Until it does A cryptic peddler peculiar merchandise and insatiable curiosity combine to tear Adam away from the mundane safety of his everyday existence and into the impossible world of Tantris a land of giants mages and the magic Adam's hoped for his entire life But is this a world of sanity or madness A dream or nightmare Adam must answer these questions and soon Because Tantris has a mortal enemy ruthless evil and hungry for the souls of the innocent And the Dark Mage just chose Adam as his next victim The Modernograph, 1902 Language Connections 6' 2002 Ed. , **Tides of Trust** Troy Patterson, 2024-10-04 Tides of Trust is a poignant and beautifully woven tale of healing resilience and the enduring power of a love that transcends even the deepest sorrow Elara a woman weathered by loss lives a life intricately tied to the single magnificent sunflower that blooms annually in her stone walled garden a living legacy of trust passed down from her grandmother This sunflower is more than just a plant it is a silent testament to a bond forged across generations a whispered promise of constancy in a world of change Still mourning the tempestuous love she shared with her late husband Liam Elara believes her heart is irrevocably anchored to the past But then Caspian enters her life a man whose presence is as gentle and unwavering as the tide at dawn He doesn't seek to replace Liam but instead quietly creates space for his own love to flourish alongside Elara's cherished memories Through delicate gestures shared moments by Liam's beloved rose bushes and the simple act of placing a sea lavender bloom beside a crimson rose Caspian teaches Elara a profound truth love is not a single overwhelming wave but an ever changing tide capable of carrying both sorrow and joy loss and renewal to the same shore Tides of Trust is a deeply emotional journey exploring the complexities of grief the courage it takes to embrace a second chance and the profound beauty of a love that never stops blooming even amidst the changing tides of life **Primary Education-Popular Educator**, 1928
