Confessions of a Rick Springfield Fan Michele L. Mathews, 2021-04-29 I first heard Jessie's Girl in the summer of 1981. Some people might say I've become obsessed with Rick Springfield since then. I call it love of a man and his music. From the age of 12 until adulthood, my love of Rick and his music has grown. He isn't just a good-looking rockstar. He is so much more than that. His smile melts my heart, but his songs heal my mind in ways I never thought possible. *Confessions of a Rick Springfield Fan* is the heartfelt story of my devotion to him through the years. Popular Singers of the Twentieth Century Robert H. Cowden, 1999-07-30 This guide to the biographical literature available on popular 20th-century singers covers nearly 1000 artists. Much of the literature cited is also cross-referenced to major biographical dictionaries, encyclopedias, and relevant periodicals. Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography. The artists included in this volume increasingly cross musical boundaries. The popular singer category therefore encompasses Broadway, Hollywood, cabaret, and operetta performers as well as recording artists. Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies. Divided among three sections, citations are arranged alphabetically and include information about literature published through 1997. An appendix of additional artists and an index complete the
