Stand By Your Hitman Leslie Langtry, 2015-01-13 From National Bestselling author Leslie Langtry Missi Bombay invents things fatal flowers Jell O bullets stroke inducing panty hose and other ways to kill a target without leaving any trace behind Living a solitary life on her family's island she's a great asset to her family of assassins Unfortunately the family that kills together also meddles together and when Missi's mom decides her daughter's life is a little too solitary she packs Missi off the Costa Rica for an undercover assignment on a low budget Survival reality TV show Amidst the ridiculous challenges tribal voting and late night sneaking to the nearby resort Missi finds herself not only scoping out her family's latest target but also Lex Danby the hottest contestant on the island But Missi's hormones get put on the back burner when someone starts sabotaging the show and Missi is squarely in the sights of the deadly culprit Greatest Hits Mysteries available Scuse Me While I Kill This Guy book 1 Guns Will Keep Us Together book 2 Stand By Your Hitman book 3 I Shot You Babe book 4 Paradise by the Rifles Sights book 5 Snuff the Magic Dragon book 6 My Heroes Have Always Been Hitmen book 7 Four Killing Birds a holiday short story Have Yourself a Deadly Little Christmas a holiday short story What critics are saying When it comes to assassin filled comedy Langtry has cornered the market RT BOOKreviews Stand By Your Hitman is another sure hit winner Chicago Tribune The Bombays deliver again their unique blend of danger romance and madcap mayhem Put all of that together with the worst put together reality show possible and the result is a fun read Newsandsentinel.com Fans of the Bombay brood will enjoy their latest escapades as the audience will stand by their hit woman Midwest Book Review **She Holds My Kids Hostage** Cory Wright, 2004-11-01 To all the ignorant moms and dads that are currently emotionally abusing their children as a means to hurt their chosen sperm or egg donors Stop it There is a big difference in protecting your child and not wanting your child to love their mother or father Using children as pawns is a distasteful and disgraceful classless act that should be punishable by law In our corrupted society the last component of honesty and innocence is our children Unfortunately they will learn of these travesties in time but we as parents should not teach the perfected nuances of it to them Let's be mature about raising our children and encourage them to love both parents without the threat of being hated or abandoned for doing so And to all the ignorant adults that encourage these acts of child terrorism you're just as guilty Because if you truly cared about the benefit and welfare of the children involved you would not tolerate the actions of the offending parties **Nightmare in Hostage Hills** Christina Mask, 2017-11-20 Sadly Christina's journey and her children's experience of being collateral damage is not atypical Kudos for her strength and bravery in putting her story out there as a cautionary tale for others Dr Susan Weitzman author Not to People like Us Hidden Abuse in Upscale Marriages Christina Mask's Nightmare is constructed around fragments from a life in agony as one woman attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have taken from her It's all here the daily records over months then years the diary entries the self blame the excuses the shame the absurdist dialogues with family

therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything Christina s book gives us faith that she is right Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of Coercive Control How Men Entrap Women in Personal Life Oxford 2007
