

A black and white film still from the 1941 movie 'The Maltese Falcon'. It depicts a tense scene with three main characters. On the left, Sam Spidee, played by John Huston, is in a dark suit and fedora, holding a revolver. In the center, Miss Galt, played by Jeanne Crain, is a blonde woman in a light-colored, patterned dress, looking towards the right. On the right, Philip Marlowe, played by Humphrey Bogart, is in a dark suit and bowler hat, looking back at her. The background is a dimly lit room with wood paneling.

She Done Him Wrong:

The Catholic Crusade Against the Movies, 1940-1975 Gregory D. Black, 1998-01-13 For more than three decades the Catholic church through its Legion of Decency had the power to control the content of Hollywood films From the mid 1930s to the late 1960s the Catholic Legion served as a moral guardian for the American public Hollywood studios submitted their films to the Legion for a rating which varied from general approval to condemnation This book details how a religious organisation got control of Hollywood and how films like *A Streetcar Named Desire* *Lolita* and *Tea and Sympathy* were altered by the Legion to make them morally acceptable Documenting the inner workings of the Legion *The Catholic Crusade against the Movies* also examines how the changes in the movie industry and American society at large in the post World War II era eventually conspired against the Legion's power and so lead to its demise **Hollywood Censored** Gregory D. Black, 1994 After a series of sex scandals rocked the film industry in 1922 movie moguls hired Will Hays to clear the image of movies Hays tried a variety of ways to regulate movies before adopting what became known as the production code Written in 1930 by a St Louis priest the code stipulated that movies stress proper behaviour respect for government and Christian values The Catholic Church reinforced these efforts by launching its Legion of Decency in 1934 Intended to force Hays and Hollywood to censor films the Legion of Decency engineered the appointment of Joseph Breen as head of the Production Code Administration For the next three decades Breen Hays and the Catholic Legion of Decency virtually controlled the content of all Hollywood films *Mae West* Jill Watts, 2003-04-17 Why don't you come up and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen's most popular and colorful stars Exploring West's penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West's life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image

Censoring Sex John E. Semonche, 2007 In this volume John E Semonche surveys censorship for reasons of sex from the

nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance radio television and the Internet Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America

Censoring Hollywood Aubrey Malone, 2011-10-10 Censorship has been an ongoing issue from the early days of filmmaking One hundred years of film censorship encompassing the entire 20th century are chronicled in this work The freewheeling nature of films in the early decades was profoundly affected by Prohibition the Depression and the formation of the Legion of Decency culminating in a new age of restrictiveness in the movies Such powerful arbiters of public taste as Will H Hays of the Motion Picture Producers and Distributors of America and Joseph Breen of the Production Code Association fomented an era whereby films with contentious material were severely censored or even condemned This held sway until rebellious filmmakers like Otto Preminger challenged the system in the 1950s eventually resulting in the abandonment of the old regime in favor of the contemporary G through NC 17 ratings system

Couvares, 2006 From the earliest days of public outrage over indecent nickelodeon shows Americans have worried about the power of the movies The eleven essays in this book examine nearly a century of struggle over cinematic representations of sex crime violence religion race and ethnicity revealing that the effort to regulate the screen has reflected deep social and cultural schisms In addition to the editor contributors include Daniel Czitrom Marybeth Hamilton Garth
