Wagner,2020-10-15 The Victorian Baby in Print Infancy Infant Care and Nineteenth Century Popular Culture explores the representation of babyhood in Victorian Britain The first study to focus exclusively on the baby in nineteenth century literature and culture this critical analysis discusses the changing roles of an iconic figure A close look at the wide ranging portrayal of infants and infant care not only reveals how divergent and often contradictory Victorian attitudes to infancy really were but also challenges persistent clichés surrounding the literary baby that emerged or were consolidated at the time and which are largely still with us Drawing on a variety of texts including novels by Charles Dickens Wilkie Collins Mary Elizabeth Braddon Mrs Henry Wood and Charlotte Yonge as well as parenting magazines of the time childrearing manuals and advertisements this study analyses how their representations of infancy and infant care utilised and shaped an iconography that has become definitional of the Victorian age itself The familiar clichés surrounding the Victorian baby have had a lasting impact on the way we see both the Victorians and babies and a critical reconsideration might also prompt a self critical reconsideration of the still burgeoning market for infant care advice today Debris Madge Morris Wagner,1881 Michigan Christian Advocate ,1909 **The End of the Age** Diego Koegler,2025-01-07 Set during the years after the third crusades a mercenary gets hired to protect a merchant but his plans fail when the merchant is killed The mercenary still wants to fulfill his master's request and ends up traveling the entire mediterranean to find out what his master was trying to do Along the way things take a dangerous turn as the mercenary is taken to places he could have never imagined to exist Soon he meets all sorts of wacky and colorful people A sailor who wants to go home to see his daughter a baby who smokes and foresees the future as well as an evil dweller who lurks deep within a hidden island All of this on top of a presence the mercenary feels is out of this world Out of this realm and from somewhere else Furthermore people are out trying to kill him as he navigates to see who is friend and who is foe and to see if he will be able to live As the mercenary tries to get to his destination he meets a divine force who changes his life forever and grants the mercenary abilities that change the course of history forever **The Billion Dollar Wedding** Cynthia Dane,2016-05-10 At the wedding of the year Jasmine Bliss encounters the unthinkable a bouquet landing right in her hands Not until that moment has she wondered why boyfriend and former boss Ethan Cole one of the hottest and richest men
