outweighs them So the question arises again Why do we fight why do we hate If we are all so alike we should be living in harmony we should be at peace we should be happy the beauty is we can all have that We just need to put our minor differences aside and connect at a heart level at a spiritual level and see God in each other Read the book and you would journey into a world where it is somewhat of a Utopia but we need that in order to see the big picture and to understand love in the Universe The settings used to describe various religions and practices also takes you on a travel and you get to picture parts of the world you may have on your bucket list Even some world class travelers who have visited some of these places might also be able to see it from another perspective If anything at all you would find at least one nugget to help improve your life and your perspective Spread love and unity **Doughnuts for God** Tee Lander,2024-01-05 Doughnuts for God is a novel set during the momentous times of the early twentieth century The horrors of World War I the fear sorrow danger and suffering were beyond anything the five young women of the Salvation Army could imagine when they committed themselves to God s service But when the United States entered the war they felt called to follow the path of their charismatic and somewhat mysterious commander Captain Flora Green confident in her leadership and God s hand on their lives They all bonded together during their service as Doughnut Dollies in the battlefields of France and afterward in hospitals caring for the influenza victims back home while each of them coped with the aftereffects of the war s impact on their lives
