New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang. Containing over 60 000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1 000 new entries from the US, UK and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language. *American Lumberman*, 1911 [Australian Books in Print 1997](#) Bowker, 1997-03: excellent coverage essential to worldwide bibliographic coverage. AMERICAN REFERENCE BOOKS ANNUAL: This comprehensive reference provides current finding and ordering information on more than 60 000 in print books published in or about Australia or written by Australian authors, organized by title, author, keyword. You'll also find brief profiles of more than 5 000 publishers, distributors whose titles are represented as well as information on trade associations, local agents of overseas publishers, literary awards, more.
