The Ashgate Research Companion to Minimalist and Postminimalist Music Keith Potter, Kyle Gann, 2016-03-23 In recent years the music of minimalist composers such as La

Monte Young Terry Riley Steve Reich and Philip Glass has increasingly become the subject of important musicological reflection research and debate Scholars have also been turning their attention to the work of lesser known contemporaries such as Phill Niblock and Eliane Radigue or to second and third generation minimalists such as John Adams Louis Andriessen Michael Nyman and William Duckworth whose range of styles may undermine any sense of shared aesthetic approach but whose output is still to a large extent informed by the innovative work of their minimalist predecessors Attempts have also been made by a number of academics to contextualise the work of composers who have moved in parallel with these developments while remaining resolutely outside its immediate environment including such diverse figures as Karel Goeyvaerts Robert Ashley Arvo Pärt and Brian Eno Theory has reflected practice in many respects with the multimedia works of Reich and Glass encouraging interdisciplinary approaches associations and interconnections Minimalism's role in culture and society has also become the subject of recent interest and debate complementing existing scholarship which addressed the subject from the perspective of historiography analysis aesthetics and philosophy The Ashgate Research Companion to Minimalist and Postminimalist Music provides an authoritative overview of established research in this area while also offering new and innovative approaches to the subject *Catalog of Copyright Entries* Library of Congress. performance and added to the glamour of London's Swinging Sixties It has established a distinctive English school of ballet a pure classical style that could do justice to the 19th century repertory and to new British classics Leading dance critic Zo Anderson vividly portrays the extraordinary personalities who created the company and the dancers who made such an impact on their audiences She looks at the bad times as well as the good examining the controversial directorships of Norman Morrice and Ross Stretton and the criticism fired at the company as the Royal Opera House closed for redevelopment

Beyond All Bearing Susan Delaney Spear, 2018-01-01 Beyond All Bearing distills and illuminates moments in ordinary lives in ordinary time and renders them extraordinary These poems turn the quotidian into the rhythm and the rhyme that is poetry preserving them on the page Some of these moments shimmer with the beauty of pansies and paperwhites out of season some flicker with the grace of candles placed on a table at the end of a tragic day or the grace of a holy kiss some hum with love for family friends and students some hint at a longing for God some speak without flinching of unspeakable tragedy And yet among the songs of loss and grief that pervade this collection God enters beautiful beyond all bearing
