Derfler, 2011-01-31 Olof Palme Sweden Olusegun Obasanjo Nigeria and Indira Gandhi India achieved the pinnacle of political power, fell from or relinquished power and then after a period in the political wilderness regained it. By placing greater emphasis than that customarily accorded by biographers on the interment that followed their fall and preceded their resurrection, the book describes how what they did, the lessons they learned and the mistakes made by their successors facilitated their reentry. **Muslim Civic Cultures and Conflict Resolution** John N. The current democratic government is trying to balance rule of law concerns at a time when many communal tensions are coming to the surface. *Muslim Civic Cultures and Conflict Resolution* in Nigeria takes us inside the complex world of Nigerian politics with a focus on the ways Muslim civic cultures deal with matters of leadership and conflict resolution. The book provides an essential context to the current international concern with issues ranging from Shari'a law and communal violence to the broader war on terrorism. It argues that the requirement for regional political cooperation serves as a counterbalance to more extreme forms of political expression. Paden shows that if the Nigerian political model of
