Philosophy of Dr. Martin Luther King Jr. Robert T. Floyd Jr.,2018-02-13 The speeches and sermons of Dr Martin Luther King Jr resound deeply delivering the inspiring message of a great leader and teacher These timeless gems leave the reader with renewed understanding of the man and the urgency of the civil rights movement which still ring true today Clare and the Great War Joe Power,2015-07-06 Aristocrats and itinerants unionists and nationalists Catholics and Protestants the Great War united thousands of Clare men and women to a cause for which many of them would go out to fight and die Their motives varied from a sense of duty to king and country to concern about the fate of poor Catholic Belgium from mercenary motives fuelled by poverty to the moral duty to fight for civilization against the savage Huns or like many young men to the simple thirst for adventure This seminal work attempts for the first time to understand what really happened in County Clare during the Great War how its economic and political life was radically transformed during this terrible conflict and how the contribution of those who gave their lives was largely written out of history Going West Basil King,2022-09-15 In *Going West* Basil King explores the restless journey of self discovery against the backdrop of early 20th century America King deftly employs a lyrical prose style interwoven with vibrant imagery that reflects the westward expansion s transformative power The narrative follows its protagonists as they encounter both natural beauty and the moral complexities of frontier life embodying the era s tantalizing blend of adventure and existential inquiry King s keen insights into human motivations and societal norms are deftly portrayed making the book not only a tale of physical travel but also a profound exploration of personal and spiritual landscapes Basil King a Canadian born author and minister drew deeply from his own experiences of migration and cultural transition to craft this evocative narrative His background in both theology and literature infused his writing with a strong moral underpinning as well as a rich understanding of the human condition King s life as a traveler and observer of human dynamics surely informed his portrayal of characters grappling with the tensions between ambition and ethical dilemmas making *Going West* a compelling study of the human spirit s resilience I wholeheartedly recommend *Going West* to readers who are interested in the interplay of individual aspiration and communal values during a formative period in American history Through King s vivid storytelling and insightful character development one gains not only an appreciation for the physical landscapes but also for the deeper philosophical inquiries that accompany any quest for identity and purpose
The Hand and the Heart Sarah M. Cradit,2024-02-13 Two fractured souls One heart stopping legacy Escape into this breathtaking tale of two passionate young men who have lived their lives for everyone but themselves Pesha and Fen have shouldered the grief pain and fear for the people they love for as long as they can remember Fen as his sister s protector and handler and Pesha as his brother s trusted right hand Neither has given thought to their own happiness because a life of

crisis only allows for chaos Contentment is an affliction neither can afford When Pesha embarks on a desperate risky journey to a homeland he s never been to in a final attempt to save his dying sister Fen doesn t hesitate to come along to help the man he s been slowly falling in love with But Pesha s bewildering escalating hostility on the road leaves him rejected and confused Making matters far worse their welcome to the Territory of Asgill is far from warm They are both descendants of the Forsaken a faction who waged a violent uprising against their Medvedev leader almost three decades earlier Though neither have any knowledge of those days they re branded as seditionists and stripped of freedoms Pesha s sister is taken away for healing but if her treatment isn t successful the end for her is death To save her and themselves they will need to learn to do the impossible accept they need as much help as they have always offered others Fen and Pesha will either break this chain Or die trying
