Take Me Home Jill Duerr Berrick, 2009 There is a profound crisis in the United States foster care system Jill Duerr Berrick writes No state has passed the federally mandated Child and Family Service Review two thirds of the state systems have faced class action lawsuits demanding change well over half of all children who enter foster care never go home

Child Welfare Research Aron Shlonsky, 2008-04-25 Research has already been a significant factor in child welfare policy in recent years but this essential new volume demonstrates that it has taken a leading role in the field to spur and guide change In the incisive chapters gathered here some of the field s top investigators present their work and assess its effect on the full spectrum of child welfare services Future generations of researchers as well as students practitioners and service providers will find the resulting text indispensable Edited by Duncan Lindsey and Aron Shlonsky two of the discipline s most articulate voices the

book covers every base The opening chapters situate child welfare research in the modern context they are followed by discussions of evidence based practice in the field arguably its most pressing concern now Recent years have seen historic rises in the number of children adopted through public agencies and accordingly permanent placement and family ties are critical topics that occupy the book s core along with chapters broaching the thorny questions that surround decision making and risk assessment The urgent need for a more effective use of research and evidence is highlighted again with looks at the future of child protection and how concrete data can influence policy and help children Finally in recognition of the growing importance of a global view closing chapters address international issues in child welfare research including an examination of policies from abroad and a multinational comparison of the economic challenges facing single mothers and their children With its insightful treatment of child welfare services in terms of the broader welfare system and acknowledgment of the myriad problems child welfare agencies face this exceptional compendium offers a rich understanding of the social conditions that influence contemporary child welfare and enables the field to move ahead without losing sight of valuable lessons that have been learned

Decision Making in Child Welfare Services T.J. Stein,T.L. Rzepnicki,1984-01-31 All countries confront the problem of providing for dependent neglected and 1 abused children While the exact form of institutional response will differ in relation to a country s political and economic structure its culture and its tradition the same general kinds of child welfare services have been developed 2 everywhere Literature from the United States Canada and several Western European countries reflects a shared concern about children who reside in unplanned substitute care arrangements and a growing recognition of the importance of 3 making permanent plans for these children The American response to this problem took shape in the early 1970s when government at the local state and 4 federal levels undertook to fund permanency planning projects Permanency planning projects were charged with developing and testing procedures that would increase the likelihood that children would move out of substitute care arrangements into permanent family homes either through restoration to their biological families termination of parental rights and subsequent adoption court appointment of a legal guardian or planned emancipation for older children Long term foster care if it was a planned outcome supported by the use of written agreements between foster parents and child care agencies was recognized as an appropriate option for some children 2
