Far from Home Ashby Bland Crowder, 2008-01-01 Often compared to William Faulkner renowned American writer William Humphrey 1924 1997 sought to shatter myths about the South in such acclaimed novels as Home from the Hill The Ordways and Proud Flesh and in his voluminous short stories critical essays and memoirs This collection of Humphrey s best letters deserves space on the bookshelf alongside these earlier works Beginning in the 1940s when as a true starving artist he wore borrowed clothes and could afford only one meal a day the letters move to his time as a goatherd his stint as a teacher at Bard College and his middle years in Europe They continue as he returns to America and teaches at Washington and Lee MIT Princeton and Smith and decrease in number as his health declines in the late 1980s and early 1990s Humphrey corresponded with some of the central figures in the literary and intellectual life of the twentieth century including writers such as Katherine Anne Porter and Leonard Woolf and the publishers Alfred and Blanche Knopf These letters present a vivid picture of Humphrey as he provides commentary on his contemporaries through personal observations combined with sharp critical judgments Humphrey amuses readers with witty anecdotes and charming tales including a hilarious account of Christmas dinner with Robert Lowell a story about British intellectual Cyril Connolly s near arrest in New York City and a series of enchanting misunderstandings between Humphrey and his French publisher The letters also provide remarkable insights into Humphrey s own works showing him to be a man happiest when he forgot about himself also prone to plunging
