Land of Sunshine ,1915 A Word for Love Emily Robbins,2018-01-16 A paeon to unabashed unbridled love Khaled Hosseini New York Times bestselling author of The Kite Runner A mesmerizing debut set in Syria on the cusp of the unrest A Word for Love is the spare and exquisitely told story of a young American woman transformed by language risk war and a startling new understanding of love It is said there are ninety nine Arabic words for love Bea an American exchange student has learned them all in search of deep feeling she travels to a Middle Eastern country known to hold the The Astonishing Text an ancient original manuscript of a famous Arabic love story that is said to move its best readers to tears But once in this foreign country Bea finds that instead of intensely reading Arabic she is entwined in her host family s complicated lives as they lock the doors and whisper anxiously about impending revolution And suddenly instead of the ancient love story she sought it is her daily witness of a contemporary Romeo and Juliet like romance between a housemaid and policeman of different cultural and political backgrounds that astonishes her changes her and makes her weep But as the country drifts toward explosive unrest Bea wonders how many secrets she can keep and how long she can fight for a romance that does not belong to her Ultimately in a striking twist Bea s own story begins to mirror that of The Astonishing Text that drew her there in the first place not in the role of one of the lovers as she might once have imagined but as the character who lives to tell the story long after the lovers have gone With melodic meditation on culture language and familial devotion Robbins delivers a powerful novel that questions what it means to love from afar to be an outsider within a love story and to take someone else s passion and cradle

it until it becomes your own *The Routledge Companion to Sinhala Fiction from Post-War Sri Lanka* Madhubhashini Disanayaka Ratnayake, 2022-09-27 This companion presents a critical collection of Sinhala resistance literature from Sri Lanka. It includes translated short stories and excerpts from Sinhala novels written after the civil war in the country. Featuring national award-winning writers, the selected texts share a common theme of resistance as the writers write against an exclusivist nationalism that was propagated through mass media and platforms of party politics in Sri Lanka during the war. The volume addresses crucial issues such as the fate of civilians in war, the role of religion in Sri Lankan polity, media censorship, the experience of women in war, as well as the current education system and youth problems in present-day Sri Lanka. It highlights an alternate discourse that runs among the ethnic Sinhala group and contributes to the overall movement towards peace and reconciliation among the different ethnic communities in Sri Lanka. A unique addition to the growing oeuvre of translated Sinhala literature, the companion will be indispensable to students, scholars, and researchers of ethnic studies, war and peace studies, peace and conflict studies, literature, cultural studies, political sociology, and South Asian studies, particularly those interested in Sri Lankan literature.

Love and Death in the American Novel Leslie A. Fiedler, 2025-06-18 Leslie A. Fiedler's *Love and Death in the American Novel* is an acclaimed classic and a foundational work of literary criticism offering a bold and provocative exploration of the themes that define American fiction. Originally published in 1960, this groundbreaking study examines how love, sexuality, death, and moral conflict shape the American literary tradition, setting it apart from its European counterparts. Fiedler argues that American literature is deeply rooted in myth, fantasy, and the tension between innocence and experience. He traces recurring motifs such as the absence of mature heterosexual relationships, the glorification of male bonding, and the fascination with the wilderness through the works of writers like Nathaniel Hawthorne, Herman Melville, Mark Twain, and F. Scott Fitzgerald. His analysis uncovers the underlying psychological and cultural forces that have influenced the American literary imagination from its early Gothic and Romantic origins to its modern existential dilemmas. Written with intellectual rigor and sharp wit, *Love and Death in the American Novel* remains a standard in literary criticism, continually shaping discussions on American literature and cultural identity. Fiedler's insights challenge readers to reconsider the narratives that have long been celebrated as the heart of the American experience. Essential for students, scholars, and anyone interested in the deep-seated themes that define America's greatest literary works, this book is as thought-provoking today as when it first revolutionized the field of literary studies.

Love Letters and the Romantic Novel during the Napoleonic Wars Sharon Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy. The standard texts, so to speak, which were written by major authors who inherited this Enlightenment bearing, responded to the emerging concepts of love found in novels and philosophical essays. Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel. Germaine de Staël, Juliette de Caumont de La Force, and Chateaubriand

Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines In addition these authors had lived through the recent French Revolution and the Terror Imprisoned during the Revolution or branded as emigrés upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism
