 delivers a profound and urgent exploration of what it truly means to be human in the age of AI challenging us to embrace
 wisdom love and deep human connection as we navigate an uncertain future alongside machines A refreshingly optimistic
 look at the possibilities of human AI interaction Kirkus Reviews What does it mean to be human At a time when AI is rapidly
 changing the way we live work and think this may be the biggest question we face In The Last Book Written by a Human tech
 entrepreneur and investor Jeff Burningham wrestles with the fundamental questions of existence the future role of artificial
 intelligence in society and the increasingly complex union between humanity and its creations With raw honesty Burningham
 shares his personal story from Mormon missionary and Bishop to successful entrepreneur to his gubernatorial run and
 beyond offering reflections on our otherworldly potential and uncertain future in the age of AI His call to action is clear As
 machines become smarter we must become wiser You will discover How the rise of AI is forcing humanity to confront
 fundamental questions about consciousness intelligence and what it means to be truly human Why the development of AI
 must be guided by love wisdom and compassion How to navigate relationships in the future ensuring we maintain genuine
 human connection alongside increasingly synthetic ones The importance of reforming institutions religious governmental and
 business to support human flourishing The cosmic necessity of mastering your life as a human being rather than a human
