Looking Around A Short History Of Submarine Periscopes By Merrill John:

Looking Around John Merrill, 2002 **How the Ray Gun Got Its Zap** Stephen R. Wilk, 2013-11 A collection of engaging essays that discusses odd and unusual topics in optics *Meeting the Submarine Challenge* John Merrill, Lionel D. Wyld, 1997 **The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual** Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection

Up Periscope! David Masters,2024-02-09 Up Periscope first published in 1943 is a fast paced account of submarines of the British Royal Navy during World War II Each of the book s 21 chapters presents an action or adventure of military significance or representative of those experienced by the submarine fleet during the war as seen by the captain and his crew Included too are depictions of life aboard the submarines fighting and hunting methods rescuing survivors of sunken ships and stories of chase and escape Featured submarines include the Spearfish Triumph Tigris Sealion Tuna Utmost and Cachalot

The Story of Our Submarines John Graham Bower,2022-08-01 John Graham Bower s The Story of Our Submarines stands out as a dedicated chronicle of underwater vessels rendered with historical acumen and a fine literary sensibility Within its pages Bower offers readers a compelling narrative that illuminates the clandestine world of submarines and their crew attesting to the strategic importance of these vessels in maritime history Bower s prose weaves technical mastery with affecting human tales positioned within the broader literary context of early 20th century naval literature Through its faithful reproduction by DigiCat Publishing the book s preservation as classic literature ensures its accessibility for generations seeking insights into the bygone era of submarine warfare John Graham Bower distinguished by his direct experience with maritime affairs brings to the fore a perspicacious understanding of submarines inside and out His background potentially enriched by a service career in the naval forces or by intimate contact with naval operations informs his descriptive prowess This experience allows him to portray the intricacies of life beneath the waves with such authenticity that one might infer his writing was guided by his own voyages The Story of Our Submarines is a must read for military historians maritime enthusiasts and aficionados of classic literature alike Its richly detailed account serves as a potent reminder of the indelible impact that submarines have had on global warfare and maritime strategy The book s reissue pays homage to the importance of preserving historical literature making this profound work an essential addition to any discerning reader s collection

Studies on Submarine Control for Periscope Depth Operations John V. Tolliver,1996-09-01 Requirements for submarine periscope depth operations have been increased by integration with carrier battle groups littoral operations and contributions to joint surveillance Improved periscope depth performance is therefore imperative Submarine control personnel rely on a large number of analog gauges and indications An integrated digital display system could enhance the ergonomics of the human control interface and display additional parameters This thesis investigates the required feedbacks for robust automatic depth control at periscope depth and thus indirectly determines the additional parameters desired for an integrated display A model of vertical plane submarine dynamics is coupled with first and second order wave force solutions for a particular submarine hull form Sliding mode control and

several schemes of state feedback are used for automatic control Head and beam seas at sea states three and four are investigated The automatic control effectiveness provides insight into the indications used by the ship s control party in operations at periscope depth One possible display system is proposed with several additional enhancements to improve ship s safety reduce operator fatigue and enable accurate reconstruction of the events leading to a loss of depth control A
