Loos Hill 70 French Flanders:

Loos: Hill 70 Andrew Rawson, 2008-10-20 The Battle of Loos formed part of a wider offensive conducted by both French and British Forces in September 1915 The British First Army under the leadership of General Haig were to break through the German line at Loos thanks in part to their superior numbers while other operations were to achieve a similar result in Champagne and at Vimy Ridge Due to lack of artillery the Loos attack was planned to be preceded by a massive gas attack Chlorine gas would hopefully entirely overcome the Germans inadequate gas masks and lead to a swift breakthrough Unfortunately all did not go to plan First some of the gas was blown back into the British trenches causing over 2 000 casualties Then when the assault itself took place the attackers were met by fierce German resistance none more so than at Hill 70 where the German defences were strong Despite many waves of attack very few troops made it into enemy trenches After a few days the attack had to be called off It had cost 60 000 British casualties for virtually no gain Rudyard Kipling's son John serving with the Irish Guards was also lost

Fromelles: French Flanders Peter Pedersen, 2004-04-19 Historian Peter Pedersen examines the World War I battle on the Western Front that decimated an Australian regiment in Fromelles French Flanders The attack at Fromelles is significant for a number of reasons It was the Australians first major operation on the Western Front and pitted them against a part of the German line that was an object lesson in the siting of a defense Before the battle the Australian Gallipoli veterans had airily dismissed the fighting in the new theater as pleasant After it they said grimly that Anzac was a picnic compared to France Fromelles came as a terrible shock and was a foretaste of things to come Both the genesis and aftermath of the operation were controversial The objectives and the tactics employed to achieve them were changed several times and the sufficiency of resources vigorously debated After the war the British and Australian Official Historians argued as to how the battle should be interpreted Most of the correspondence that accompanied their exchange of drafts has not been published Peter Pedersen's thorough account of the battle explores the genesis of the operation through the aftermath covering this monumental moment in World War I history *The Battles of French Flanders* Jon Cooksey, Jerry Murland, 2015-04-30 The battles fought by the British army in 1915 in the second year of the First World War are less well known than those fought immediately after the outbreak of war in 1914 and those that followed in 1916 which culminated in the Battle of the Somme But the fighting at Aubers Ridge Festubert Neuve Chapelle and Loos was just as severe as was the 1916 battle at Fromelles and the battlefields are just as interesting to explore today This volume in the Battle Lines series is the perfect guide to them Expert guides Jon Cooksey and Jerry Murland take visitors over a series of routes that can be walked biked or driven explaining the fighting that occurred at each place in vivid detail They describe what happened where it happened and why and who was involved and point out the sights that remain for the visitor to see Their highly illustrated guidebook is essential reading for visitors who wish to enhance their understanding of warfare on the Western Front

Loos - Hill 70 Andrew Rawson, 2002 This book does not intend to be a comprehensive

account of the battle There is only a brief description of the events leading up to the battle and its aftermath It will however give you a feel for the events that took place on IV Corps front At the back of the book there are recommended car and walking tours There is a separate section covering the cemeteries and memorial relevant to the battle Page 16 Loos - 1915 Andrew Rawson,2003 In September 1915 Kitchener's men were in action for the first time in the largest offensive of the year Using gas British troops managed to open a three mile gap in the German line However misuse of the reserves allowed the chance of success to pass by In the following struggle for Hohenzollern Redoubt the British were defeated time after time by superior weapons and tactics For the first time visitors will be able to explore this key battle a battle that cost the BEF over 50 000 casualties **The British Campaign in France and Flanders: 1915** Arthur Conan Doyle,1917
