Storms and Sunrises Mark A. Nemec, 2021-09-09. When will the rain ever end? At times it is just a drizzle, and at times it is a deluge. It is mostly dark and mostly dreary. At times the thunder and lightning make my knees shake and my heart skip a beat. Why does it have to storm? Why do storms come when I least expect them? Why do they cause damage and devastation? Almighty God answers and says: Without the storms of life, you will never appreciate the little things, the beautiful sunrises I have made just for you. You will forget how much I love you and that I have made all things for your good. The storms of today are the sunrises of tomorrow.
