Experience the Presence of God Fred M. Jensen, 2009-04 Whatever happened to the presence of God in the American church The church has settled for the status quo rather than the supernatural God's Church is dealing with considerable spiritual lethargy and superciliousness Man has been doing church his way long enough and now it is time that the Holy Spirit be the administrator and director of His church God has the perfect plan for His house The author presents an urgent and no compromise appeal for a return to the manifested presence of God The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church This book introduces Biblical principles and not man's strategies that will cause a full restoration to the presence and glory of God This book is for those that are hungry and thirsty for more of God's presence Fred Jensen was born in 1954 and was raised on Staten Island New York where he was converted to Christ at the young age of eight years old It was here that Fred experienced for the first time the presence of God while attending a prayer meeting with his father Fred is the third generation of Pentecostal ministry He has served as a pastor for 30 years in Massachusetts New Jersey Hawaii and Colorado Fred has a passion for the manifested presence of God and revival He now is devoted to writing speaking and completing a Ph D He and his wife Naomi have one daughter two sons and one grand daughter Fred and his wife now reside in mid west Colorado *The One Year Experiencing God's Presence Devotional* Chris Tiegreen, 2022-10 This year experience a closer relationship with God than ever before All of us long for God's presence and we sense it occasionally But there are times when it seems like something's missing deep encounters with him certainty that we have heard his voice and a palpable experience of his presence every day Like no other writer can Chris Tiegreen draws us deeper into real intimacy with our intensely relational God This deluxe LeatherLike edition of *The One Year Experiencing God's Presence Devotional* will cultivate your sense of God's presence in your life help you learn to recognize his voice and deepen your trust that he is always ready to help Psalm 46:1 NLT in every situation The Presence of God J. Ryan Lister, 2014-11-30 God is with us We say this in our sermons prayers and songs but what does it really mean For many Christians the whole notion of God's presence remains vague and hard to define Exploring both the Old and New Testaments professor J Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture a theme that is too often neglected and therefore misunderstood In a world that longs for yet struggles to find intimacy with the Almighty this book will help you discover the truth about God's presence with his people and what his drawing near means for the Christian life *The Secret to Experiencing God's Presence* John Belt, 2018-07-03 How Believers Can Experience God's Presence Every Day It's easy to feel close to God while worshiping in church raising our voices and our hearts with other believers as his presence permeates the atmosphere Unfortunately for many Christians this is the only place they experience God's presence But the Sunday morning experience shouldn't be the exception it should be the norm With wisdom and insights gained from years as a pastor and worship leader John Belt has helped thousands of believers overcome seasons of

Prayer, Peace and the Presence of God Dr. David Butts, 2017-08-15 I'm sorry Mr Butts but you have lymphoma and you are already in stage four Those words would rattle anyone Those are the words Dave and Kim Butts heard just 10 days into Dave's beginning to write this book on prayer and peace God literally put Dave into a situation where Dave would have to live out what he was planning to teach others in his book As believers we know that we are supposed to walk in Christ's peace day by day But when the trials struggles and stresses of life come upon us many of us do not appropriate or experience that peace Instead we look at our circumstances and worry In the pages of this 30 day devotional you will find the shalom the peace of Jesus Each day you will be encouraged by a verse on peace gently be taught how to live that verse out and then be guided in praying that peace into your life This book is for every believer who wants to experience and walk in the peace of Christ no matter what life throws at him or her

Sharing in God's Presence Roy D. Kindelberger, 2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God's nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence*

Sinners in the Presence of a Loving God R. Zachary Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In *Sinners in the Presence of a Loving God* R. Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis's assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned

respectively but rather are two radically different ways in which different persons will experience the same reality of God's omnipresence once the barrier of divine hiddenness is finally removed *God's Relational Presence* J. Scott Duvall, J. Daniel Hays, 2019-11-19 Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible This book shows that God's desire to be with his people is a thread running from Genesis through Revelation Duvall and Hays make the case that God's relational presence is central to the Bible's grand narrative It is the cohesive center that drives the whole biblical story and ties together other important biblical themes such as covenant kingdom glory and salvation history

Daily in His Presence Andrew Murray, 2009-02-04 In his time Andrew Murray was alarmed by how few believers lived wholeheartedly for God and truly displayed to the world the abundant life promised by Jesus Christ More than a century later Christians are still living powerless impoverished spiritual lives and a media savvy world dismisses the church as irrelevant One of the most powerful voices of the nineteenth century Murray speaks to today's church from across the years exhorting us to begin each day by seeking the living God giving Him time every morning to reveal Himself anew For this stunning new devotional contemporary bestselling author Bruce Wilkinson presents 365 gems from the treasury of writings by Andrew Murray Wilkinson introduces each month's readings with an overview of the thematic approach for the coming devotions Each month features the very best of Murray's work centering on a different aspect of cultivating a deeper and richer spiritual life Revive Your Spirit Does the abundant Christian life you're supposed to have feel more like a chore than reality Impoverished and stale is your spirit crying out for recharging One of the most powerful voices of the last two hundred years Andrew Murray wrote extensively about this age-old struggle This treasury of 365 gems of biblical wisdom is presented here in contemporary English by bestselling author Bruce Wilkinson Each day will lead you deeper into God's presence Your spirit is yearning for it Don't delay Let these timeless secrets of a more meaningful spiritual life invigorate your soul *Timeless Truths in Changing Times* David C. Cooper, 2007 *The American Catholic Historical Researches*, 1887

God's Absence and the Charismatic Presence Roy D. Kindelberger, 2017-05-17 The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person's life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe [The Church of England magazine \[afterw.\] The Church of England and Lambeth magazine](#), 1849 *Defender Magazine*, 1953 [Atheism or Theism?](#) Hakan Gok, 2018-08-22 Is there

a God is one of those irrepressible questions that has been debated throughout human history with scholars from opposites camps making the case for or against the existence of God It is a never ending debate This book first examines the theistic arguments developed by Islamic scholar Said Nursi in the twentieth century Although his arguments initially seem to be mere presentations of well established theistic arguments for God such as teleological and cosmological and arguments from miracles and morals it is clear that Nursi takes a fresh approach to these existing philosophical defences The book then analyses how Nursi tackles certain atheistic arguments such as the problem of evil and the possibility of existence without a creator and criticism leveled against the prophets and the Qur'an

Experiencing God's Presence Linda Evans Shepherd, 2013-09-15 From the award winning author of *When You Don't Know What to Pray* comes a bold and life transforming book that will help readers develop a vibrant relationship with God Linda Evans Shepherd tells readers that a fulfilling prayer life is more than just regularly talking to God or checking items off a prayer list God loves us so much that he wants us to draw close enough not only to talk but also to listen Shepherd shows readers how to develop a dialogue with God continually seeking him out and seeing him at work in our lives Steeped in Scripture and personal stories of answered prayer this book also includes sample prayers and action steps for readers to put into practice immediately

Christopraxis Andrew Root, 2014 Since the late 1970s practical theology has had a significant voice and influence in the academy While many have seen great hope and potential in this work not everyone has agreed Some for instance have examined the conversation and found by focusing on the concrete and lived experiences of humanity by and large practical theology has not had the theological vision to present frameworks for understanding concrete and lived experience with divine action So argues Andrew Root who in *Christopraxis* seeks to reset the entire edifice of practical theology on a new foundation While not minimizing practical theology's commitment to the lived and concrete Root argues that practical theology has neglected deeper theological underpinnings and seeks to create a practical theology that seeks to be fully post modern post Aristotelian and that in seeking to attend to doctrines such as divine action and justification is properly and fully theological

Into His Presence Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters *Into His Presence* is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture

Sacred Questions Kellye Fabian, 2018-11-06 As Christians we believe that Jesus has invited us into a new kind of life with him one that is full free and for others And yet many of us don't actually experience this promised life We

continue to act out of fear withhold grace refuse forgiveness drown in worry return to old habits tolerate distraction and harbor a desire to be right While inspirational stories abound in our world and fill the devotional books on our shelves and apps on our phones inspiration does not equal transformation Transformation only happens when we open ourselves in God's presence and align with His work in us and the world But many of us just don't know how to do this or where to begin This book provides a way Sacred Questions invites readers into a daily personal practice of reading Scripture and responding to questions arising from the text about God themselves and others Guiding readers over a yearlong journey into an open posture and daily heart examination and reflection the book helps them see themselves more clearly understand more about who God is break patterns of sin and grow in forgiveness and love One day at a time readers learn how to partner with God in their transformation into Christlikeness and live the full free and others centered life Jesus offers
