**DJ Losen**

## **Lost Gods Of Albion The Chalk Hill Figures Of Britain:**

**Lost Gods of Albion** Paul Newman, 2009      *Lost Gods of Albion* Paul Newman, Dulcie Gray, 1999 As a uniquely British phenomenon the thirty or so figures cut into the turf of southern England have excited antiquarians archaeologists and the general public for generations However their origins are enigmatic Paul Newman shows how hill figures reveal Britain's darkest past Druid massacres conjectured human sacrifice and strange phallic and pagan rites that in milder form survive even today This scholarly and comprehensive account of all the recorded hill figures in England offers not only description but also analysis discussion and interpretation In the ten years that have passed since the first edition of this book much has changed in the world of hill figure studies most significantly perhaps the absolute dating by scientific means of early silts incorporated into the Uffington White Horse which can now be seen to date from around 1000 BC      **The Triumph of the Moon** Ronald Hutton, 2001-02-15 Ronald Hutton is known for his colourful and provocative writings on original subjects This work is no exception for the first full scale scholarly study of the only religion England has ever given the world that of modern pagan witchcraft which has now spread from English shores across four continents Hutton examines the nature of that religion and its development and offers a microhistory of attitudes to paganism witchcraft and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading of figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the world since 1950 Densely researched **Triumph of the Moon** presents an authoritative insight into a hitherto little known aspect of modern social history      **Hidden History (Volume 2 of 2)** **(EasyRead Super Large 24pt Edition)** ,      **Mysticism, Myth and Celtic Identity** Marion Gibson, Shelley Trower, Garry Tregidga, 2013 *Mysticism Myth and Celtic Identity* explores how the mythical and mystical past informs national imaginations Building on notions of invented tradition and myths of the nation it looks at the power of narrative and fiction to shape identity with particular reference to the British and Celtic contexts The authors consider how aspects of the past are reinterpreted or reimagined in a variety of ways to give coherence to desired national groupings or groups aspiring to nationhood and its defence The coverage is unusually broad in its historical sweep dealing with work from prehistory to the contemporary with a particular emphasis on the period from the eighteenth century to the present The subject matter includes notions of ancient deities Druids Celticity the archaeological remains of pagan religions traditional folk tales racial and religious myths and ethnic politics and the different types of returns and hauntings that can recycle these ideas in culture Innovative and interdisciplinary the scholarship in *Mysticism Myth and Celtic Identity* is mainly literary but also geographical and historical and draws on religious studies politics and the social sciences Thus the collection offers a stimulatingly broad number of new viewpoints on a matter of great topical relevance national identity and the politicization

of its myths      *Hidden History* Brian Haughton,2007-01-15 An archaeologist explores history s most fascinating enigmas from the ancient Druids to the mysteries of the Mayan calendar and the lost city of Atlantis Across thousands of years of history so called lost civilizations still speak to us through their artifacts and architecture In *Hidden History* archaeologist Brian Haughton fills the gap between archaeology and alternative history using the latest available data and a common sense open minded approach Divided into three sections this expertly researched volume shares the secrets of Mysterious Places Unexplained Artifacts and Enigmatic People Haughton introduces readers to the greatest mysteries of the ancient world from the labyrinthine palace of Knossos on Crete to the pyramids of Egypt the remote jungle temples of Peru and the megalithic mystery of Stonehenge But he also goes further to explore historical puzzles like the Coso Artifact the possibility of ancient flight and the Voynich Manuscript as well as mysterious peoples from the Magi and the Druids to the Knights Templar and the Green Children With more than 50 photographs and illustrations this is the ideal reference work for those interested in the archaeology of these great enigmas      **Hidden History (Volume 2 of 2) (EasyRead Super Large 18pt Edition) ,**

**Hidden History (Volume 2 of 2) (EasyRead Super Large 20pt Edition) ,**      *A Date with the Two Cerne Giants*  
Michael J. Allen,2024-10-15 The date of the Cerne Giant has long been a matter for debate as exemplified by a public and televised debate of March 1996 published as *The Cerne Giant An Antiquity on Trial* 1999 Oxbow Books Excavations were conducted in 2020 by the National Trust in the centenary year of its ownership of the Giant The excavations were limited and targeted in extent and scope the aim was to date the actual construction of the iconic figure by absolute dating methods OSL As the 1999 publication explained the jury was still out with advocates for a prehistoric origin one connected to the period of the Civil War or a more modern one In the event the dates were a complete surprise falling within the Anglo Saxon period The research has provided an accurate scientifically verified date for the Cerne Giant These unexpected results together with the land use history and ominous disappearance of the Giant for six centuries provide the platform for reconsideration and new discussion and debate Part 1 deals with new research the historical background and aims the excavation results stratigraphic finds geoarchaeological interpretation land use history environmental land snails and discussion Part 2 is the wider discussion and implications derived from the results and places the Giant in his local and Saxon context Part 3 begins with summaries of the other two excavated hill figures the Long Man of Wilmington and the Uffington White Horse followed by a series of essays from leading archaeologists historians and experts in early medieval iconography      *Great Tales from English History* Robert Lacey,2025-05-01 With insight humor and fascinating detail Lacey brings brilliantly to life the stories that made England from Ethelred the Unready to Richard the Lionheart the Venerable Bede to Piers the Ploughman The greatest historians are vivid storytellers Robert Lacey reminds us and in *Great Tales from English History* he proves his place among them illuminating in unforgettable detail the characters and events that shaped a nation In this volume Lacey limns the most important period in England s past highlighting the spread of the English language the rejection of both a religion

and a traditional view of kingly authority and an unstoppable movement toward intellectual and political freedom from 1387 to 1689 Opening with Chaucer's Canterbury Tales and culminating in William and Mary's Glorious Revolution Lacey revisits some of the truly classic stories of English history the Battle of Agincourt where Henry V's skilled archers defeated a French army three times as large the tragic tale of the two young princes locked in the Tower of London and almost certainly murdered by their usurping uncle Richard III Henry VIII's schismatic divorce not just from his wife but from the authority of the Catholic Church Bloody Mary and the burning of religious dissidents Sir Francis Drake's dramatic if questionable part in the defeat of the Spanish Armada and the terrible and transformative Great Fire of London to name but a few Here Anglophiles will find their favorite English kings and queens villains and victims authors and architects from Richard II to Anne Boleyn the Virgin Queen to Oliver Cromwell Samuel Pepys to Christopher Wren and many more Continuing the eminently readable highly enjoyable St Louis Post Dispatch history he began in volume I of Great Tales from English History Robert Lacey has drawn on the most up to date research to present a taut and riveting narrative breathing life into the most pivotal characters and exciting landmarks in England's history

### **The Green Wiccan Magical Spell Book**

**Lake**

**District, a Megalithic Journey** Neil McDonald,2011-01-02 The Lake District A Megalithic Journey Neil McDonald has been visiting the Lake District since childhood spending many happy hours walking in the spectacular fells and valleys Over the

years he has become an expert in the many ancient mystical and historical sites of this beautiful part of northern England Neil has been taking tour groups to the area for many years and in this book he has used his wealth of experience to create a circular tour of some of the best sites the region has to offer **The Hard Way** Susannah Walker, 2024-06-06 A powerful manifesto for women who long to walk alone and safely in the countryside Dr Sharon Blackie author of *If Women Rose Rooted* Why is it radical for women to walk alone in the countryside when men have been doing so for centuries **The Hard Way** is a powerful and illuminating book about addressing this imbalance reclaiming fearlessness and diving into the history of the landscape from a woman's point of view Setting off to follow the oldest paths in England the Ridgeway and the Harrow Way Susannah Walker comes across artillery fire concern from passing policemen and her own innate fear of lone figures in the distance a landscape shaped by men from prehistoric earthworks to today's army bases But along the way Susannah finds Edwardian feminists rebellious widows forgotten writers and artists as well as all their anonymous sisters who stayed at home throughout history They become her companions over 135 miles of walking revealing how much or how little has changed for women now An urgent call Guy Shrubsole author of *Who Owns England* A fascinating personal journey Sophie Pierce author of *The Green Hill* Thought provoking rich and interesting Andrew Ziminski author of *The Stonemason* **The Shell Country Alphabet** Geoffrey Grigson, 2009-07-02 In the 1960s Geoffrey Grigson travelled around England writing the story of the secret landscape that is all around us if only we take the time to look and see The result is a book that will take you on an imaginative journey revealing hidden stories unexpected places and strange phenomena From green men ice scratches cross legged knights and weathercocks to rainbows clouds and stars from place names and poets to mazes dene holes and sham ruins via avenues dewponds and village greens **The Shell Country Alphabet** will help you discover the world that remains just off the motorway Geoffrey Grigson resurrected the minor the provincial and the parochial he was an erudite and unrivalled topographer ardent in promoting informed awareness of the distinctiveness of place Toby Barnard An anthologist of genius P J Kavanagh **On this Holy Island** Oliver Smith, 2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century **On This Holy Island** is an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even marrons himself at sea Following holy roads to churches cathedrals and standing stones this evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul **The Avebury Landscape** Graham Brown, David Field, David

McOmish, 2005 It is over one hundred years since the publication of the wide ranging archaeological field investigation undertaken on the Marlborough Downs by the Rev A C Smith His work Guide to the British and Roman Antiquities of the North Wiltshire Downs in a Hundred Square Miles round Abury was originally published in two volumes in 1884 by the Marlborough College Natural History Society then reprinted and bound into a single volume and published in 1885 by the Wiltshire Archaeological and Natural History Society after half the original print run was destroyed in a fire As in most works of inventory the volume has certainly stood the test of time and is still one of the basic reference texts for students of the area Since then apart from a few notable exceptions archaeological literature about the area has been largely site based and there has been little concerning the Marlborough Downs as a whole In order to try and redress this imbalance a day conference was organised in April 2002 at the University of Bath Swindon where it was possible to acknowledge and mark the ongoing validity of Smith s work and where a number of papers on various aspects of recent research on the Marlborough Downs were presented The results of the conference are presented in this volume together with a number of other commissioned contributions from individuals who have undertaken research in the area during the last decade or so Each essay stands alone but they are connected by a common theme that of the land and how it has changed over millennia

The British National Bibliography Arthur James Wells, 1999

## Adopting the Beat of Term: An Mental Symphony within **Lost Gods Of Albion The Chalk Hill Figures Of Britain**

In a global taken by displays and the ceaseless chatter of immediate communication, the melodic splendor and emotional symphony produced by the prepared word often diminish in to the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. But, set within the pages of **Lost Gods Of Albion The Chalk Hill Figures Of Britain** a wonderful fictional value filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the hidden songs and profound influence resonating within each carefully constructed phrase. Within the depths of the poignant assessment, we will investigate the book is central harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
