**The Lost Goddess** Tom Knox, 2012 Originally published in Great Britain in 2011 under the title *Bible of the dead* The Lost Goddess Edward Barron, 1908 The Lost Goddess Tom Knox, 2012-02-01 From the internationally bestselling author of *The Genesis Secret* a seductive exotic new thriller In the silent caves beneath France young archaeologist Julia Kerrigan unearths an ancient skull with a hole bored through the forehead After she reveals her discovery her mentor is brutally murdered Deep in the jungles of Southeast Asia photographer Jake Thurby is offered a mysterious assignment by a beautiful Cambodian lawyer who is investigating finds at the two thousand year old Plain of Jars finds that shadowy forces want kept secret From the temples of Angkor Wat and the wild streets of Bangkok to the prehistoric caves in Western Europe what links Jake's and Julia's discoveries is a strange demonic woman whose unquenchable thirst for vengeance and the horrors she seeks to avenge are truly shocking Readers have become enthralled by Knox's vivid blend of buccaneering modern adventure gothic horror and grand intellectual puzzles **The Lost Goddess** Edward Barron, 2007-09 *Encountering the Dark Goddess* Frances Billingham, 2021-03-26 The Dark Goddess is often associated with the Underworld where she leads the uninitiated through a transformative journey of self discovery change and soul renewal She is connected with the unwanted the forgotten the ignored or even ashamed parts of our psyche However there is more to her than that *Encountering the Dark Goddess* A Journey into the Shadow Realms guides you through what this challenging facet of the Divine Feminine the Dark Goddess is truly about and encourages you to step through the veils into her hidden realm to explore 13 aspects of herself Whether you seek healing from past trauma release from fears or acceptance of the unacceptable aspects of your self *Encountering the Dark Goddess* A Journey into the Shadow Realms offers ways for you to transform and heal your life through the power of meditation ritual and inner journeying with the Dark Goddess into her shadowy realms Use the 13 goddess myths as a guide to discover how to remove the stagnant and unwanted and embrace the ever changing aspects of life that can drag us into the pits of despair When we connect to the Dark Goddess we are able to find the light within the darkness and our lives are enriched through the integration of all aspects of our soul as a perfect whole **Empire of Ashes** Damian Shishkin, 2017-06-02 Fifty years have passed since the Dark Lord was beaten and little of what once was the Empire of Light remains Humanity has risen high to take the reins of power in the vacuum left once the Imperial Grand Council and is relentless in its pursuit to assert human kind as the new dominant force with all who oppose them running in fear And tops in their list of enemies is the Harbinger himself Aen Aen withdrew completely from all life and though he is mightily hunted he has hidden in a place so isolated he cannot be found Here he obsesses over the promise he made to Iana His soul broken from his losses he sees the truth in all that has happened and all that is beginning to transpire He has awakened from his slumber and he is angry A stranger appears and her very presence threatens to unwind eons of carefully crafted plans Her mission seek out Aen push him to complete this promise to

Iana But to do that they will uncover secrets old enough to be forgotten by history and meet races so ancient they had become myths *The Gods of Antarctica* Yashvardhan Shukla,2020-05-29 The tale was about a school kid David who accidentally lands up in Antarctica after losing his entire family to a monster attack His book Gods of Antarctica talks about the mythological fantasy of David s encounter with gods and monsters **The Heroine in Western Literature** Meredith A. Powers,2000-01-01 The impulse that prompts humans to envision themselves as heroic is as inherent to women as to men The idealization of the hero however is an outgrowth of the more primary conception of the god In Western culture the reduction and eventual denial of the feminine divine has affected cultural perception of feminine principles particularly archetypal and autonomous patterns This book delves first into the literary strata from which the archetypes have been culled the stories of the Bible and the myths of the Aegean to look at how the characterization of the goddess was revised Employing evidence from psychology artifacts and pictorial art the author shapes an outline for a more authentic figure The obscure and muted goddess heroine of ancient literature is then given detail by the articulate voices of the archetype as she reemerges in contemporary fiction Traveller in Space June Campbell,2018-05-31 In this revised edition of June Campbell s ground breaking and ambitious work many of the key issues concerning gender identity and Tibetan Buddhism are now broadened and further clarified in order to create a better understanding of the historical importance of gender symbolisation in the very construction of religious belief and philosophy With its cross cultural stance the book concerns itself with the unusual task of creating links between the symbolic representations of gender in the philosophy of Tibetan Buddhism and contemporary western thinking in relation to identity politics and intersubjectivity A wide range of sources are drawn upon in order to build up arguments concerning the complexities of individual gender roles in Tibetan society alongside the symbolic spaces allocated to the male and female within its cultural forms including its sacred institutions its representations and in the enactment of ritual And in the light of Tibetan Buddhism s popularity in the west timely questions are raised concerning gender and the potential uses and abuses of power and secrecy in Tibetan Tantra which with its unique emphasis on guru devotion and sexual ritual is now being disseminated worldwide What is made clear in this new edition however is that Campbell s ultimate aim is to elucidate through the use of a psychoanalytical perspective something of the dynamic inter relationship between the inner lives of individuals their gender identities in society and the belief systems which they create in order to provide cohesion continuity and meaning whether it be in the east or the west **Antiquity and Social Reform** Dawn Hutchinson,2010-06-09 Although religious innovation in America has historically been the norm rather than the exception mainstream Americans have often viewed new religious movements with suspicion and occasionally with outright alarm The question motivating many studies of new religious movements has been why would someone join these religions In Antiquity and Social Reform Dawn Hutchinson offers at least one answer to this often repeated query She argues that followers of new religious movements in the 1960s 1980s specifically the Unification Church Feminist Wicca and

the Nation of Yahweh considered these religions to be legitimate because they offered members a personal religious experience a connection to an ancient tradition and agency in improving their world Utilizing an historical approach Antiquity and Social Reform considers the conversion narratives of adherents and primary literature of the formative years of these movements which demonstrates that the religious experiences of the adherents and a resonance with the goals of these religions propelled members into social action
