**Survival in the South Pacific** Robert Richardson,2024-09-30 This account of oft forgotten aspects of the war that is also a powerful survival story is highly recommended for the casual reader of military history as well as the serious scholar of the Pacific war. *Journal of America's Military Past* In September 1943 as America began advancing from its foothold on Guadalcanal a young American airman was lost in heavy weather over the South Pacific on what was expected to be a routine flight. In examining that loss and the events leading up to a rescue attempt on an island in the South Pacific and bringing together societies utterly alien to each other *Survival in the South Pacific* brings together the big themes of the Pacific War. Lieutenant Leonard Richardson and his comrades had been swept from their homes across America, trained at speed for war and dispatched to one of the remotest places on the globe. American war plans in place when Pearl Harbor was attacked poorly reflected the capabilities of its military and the limits imposed by America's far flung and indefensible territories. The Germany First policy had resulted in a deeply uncertain future for forces in the South Pacific and Australia. The United States was unprepared for the global war that came to it in late 1941 even as the pipeline of men and materiel began to fill. Young Allied and Japanese aviators, sailors and soldiers were not the only ones thrown into the swirling maelstrom of war that had engulfed the Pacific; the indigenous islanders were also immersed in a new reality. In bringing together individual stories of men at war, this book gives a new perspective on the Pacific War.      **The Victory Gardens of Brooklyn** Merrill Joan Gerber,2007-11-28 With *The Victory Gardens of Brooklyn* Merrill Joan Gerber demonstrates yet again her talent for pure and natural prose that penetrates the depths of human emotion. Her new novel illuminates the lives of three generations of women belonging to a Jewish American family in New York. Arriving from Poland at the turn of the century, sisters Rachel and Rose discover their fates on New York's Lower East Side. Later, Rachel's daughters, Ava Musetta and Gilda, live the passionate drama of their family's destiny as two wars rage in the world around them. In peace and war, the men they love bring them both ecstasy and bitter grief. Musetta's daughters, Issa and Iris, carry the story to its poignant close as the Second World War ends. With a delicate touch yet piercing insight, Gerber explores the yearnings, loves and struggles of women who try to adapt the Jewish rituals of the old country to the realities of the new world.
