Robert Cox,1997-11-01 In this well documented book compelling evidence is presented that during the previous Golden Age
a universal sacred science was shared by enlightened Seers of the Biblical Egyptian Vedic Taoist and Native American
traditions The mysterious and powerful knowledge possessed by these ancient Seers is relevant today for it holds the keys to
spiritual enlightenment perfect health and physical immortality Although this knowledge was lost long ago according to the
cycles of time mapped out by the ancient Seers themselves we are now about to enter into a new Golden Age a time when the
lost sacred science is destined to be revived and miraculous new technologies will arise The author presents the spiritual
historical and scientific background of this imminent revival with remarkable insight offering a message of great hope for the
