**Guns and Utu** Matthew Wright, 2011-08-01 So they went forth and they were given over to death by the guns Rangipito of Ngati Rahiri In the two decades before the Treaty of Waitangi New Zealand was ripped asunder by island spanning waves of warfare extreme violence and cannibalism Great war parties surged the length of the land to avenge historic grievances killing and burning as they went Whole peoples were uprooted and found new homes Despite the name given them by history one thing we can be certain about is that these dramatic conflicts were not simply musket wars This was an age of courage of heroism of great character and of astonishing deeds And they are not dead history Twenty first century New Zealand has been profoundly shaped by them not least in the location of most of the major cities In Guns and Utu historian Matthew Wright disputes the many mythologies of these wars examining some of the whys and wherefores of this generation long culture collision A spectacular book Don Rood Radio New Zealand National

**The Penguin History of New Zealand** Michael King, 2023-10-10 This bestselling book by the late Michael King is the unchallenged contemporary reference on the history of New Zealand First published in 2003 and hailed

as a triumph of careful research wide reading and judicious assessment it has been continuously in print for 20 years and has sold over 300 000 copies It remains the definitive yet highly readable starting point for anybody wanting to understand this country New Zealand was the last country in the world to be discovered and settled by humankind It was also the first to introduce full democracy Between those events and in the century that followed the movements and conflicts of human history have been played out more intensively and more rapidly in New Zealand than anywhere else on Earth The Penguin History of New Zealand tells that story in all its colour and drama The narrative that emerges is an inclusive one about men and women M ori and P keh It shows that British motives in colonising New Zealand were essentially humane and that M ori far from being passive victims of a fatal impact coped heroically with colonisation and survived by selectively accepting and adapting what Western technology and culture had to offer Now more relevant than ever this edition includes a Foreword by Sir Tipene O Regan and a biographical essay on the author by Jock Phillips PLATINUM PREMIER NEW ZEALAND BESTSELLER READERS CHOICE AWARD 2004 MONTANA NEW ZEALAND BOOK AWARDS NIELSEN BOOKDATA NEW ZEALAND BOOKSELLERS CHOICE AWARD BEST OF THE BEST 2011 *Only in Australia* William Coleman,2016-06-16 This edited volume is about the Australian difference and how Australia s economic and social policy has diverged from the approach of other countries Australia seems to be following a special path of its own that it laid down more than a century ago Australia s distinctive bent is manifested in a tightly regulated labour market a heavy reliance on means testing and income taxation a geographical centralization of political power combined with its dispersal amongst autonomous authorities and electoral singularities such as compulsory and preferential voting In seeking to explain this Australian Exceptionalism the book covers a diverse range of issues the strength and weakness of religion democratic and undemocratic tendencies the poverty of public debate the role of elites the exploitation of Australian sports stars the politics of railways the backwardness of agriculture deviation from the Westminster system the original encounter between European and Aboriginal cultures and the heavy taxation of tobacco Bringing together contributions from economists economic historians and political scientists the volume seeks to understand why Australia is different It offers a range of explanations from the historical legacy to material factors historical chance and personalities **Historical Ecology** Guillaume Decocq,2022-10-11 This book addresses present day landscapes ecosystem functioning and biodiversity as legacies of the past It implements an interdisciplinary approach to understand how natural or human impacted ecological systems have changed over time Historical Ecology combines theory methods regional case studies and syntheses to provide a complete up to date overview of historical ecology Beginning with the crucial role of time and inference from observed patterns the book critically reviews the main methodological approaches including monitoring of permanent plots analysis of old maps repeat photography remote sensing soil analysis charcoal analysis botanical indicators and combinations of these methods applied to forest ecosystems A series of case studies from various biomes shows how historical ecology can help in understanding today s

socio ecosystems such as mainland and island forests orchards tundra and coastal dunes The book concludes by showing how historical ecology can answer timely fundamental research questions and provide science based evidence for landscape and ecosystem management

**Contested Worlds** Martin Phillips,2017-09-29 Contested Worlds provides an introduction both to a multitude of geographical worlds which are currently being actively constructed and contested and to a range of different perspectives on these worlds being adopted and contested by geographers It is unique in its focus on the role of contestation in both the construction of geographical studies and in the geographies these studies seek to address These issues are explored through a combination of general theoretical discussion and detailed international case studies The areas discussed range in scale from the global through the regional and national to the local worlds of the inner city the neighbourhood and the village with connections drawn between these scales The book concludes that geography is being made in quite different ways It asserts that geography is intrinsically a contested enterprise and that this should be embraced as part of geographers becoming more critically involved in the making and studying of new contemporary human geographies

Reparative Aesthetics Susan Best,2016-10-20 By offering a new way of thinking about the role of politically engaged art Susan Best opens up a new aesthetic field reparative aesthetics The book identifies an innovative aesthetic on the part of women photographers from the southern hemisphere who against the dominant modes of criticality in political art look at how cultural production can be reparative The winner of the Art Association of Australia and New Zealand best book award in 2017 Reparative Aesthetics contributes an entirely new theory to the interdisciplinary fields of aesthetics affect studies feminist theory politics and photography Conceptually innovative and fiercely original this book will move us beyond old political and cultural stalemates and into new terrain for analysis and reflection
