The Oxford Handbook of Mobile Music Studies, Volume 2 Sumanth Gopinath, Jason Stanyek, 2014-03 The two volumes of
The Oxford Handbook of Mobile Music Studies consolidate an area of scholarly inquiry that addresses how mechanical
electrical and digital technologies and their corresponding economies of scale have rendered music and sound increasingly
mobile portable fungible and ubiquitous At once a marketing term a common mode of everyday life performance and an
instigator of experimental aesthetics mobile music opens up a space for studying the momentous transformations in the
production distribution consumption and experience of music and sound that took place between the late nineteenth and the
early twenty first centuries Taken together the two volumes cover a large swath of the world the US the UK Japan Brazil
Germany Turkey Mexico France China Jamaica Iraq the Philippines India Sweden and a similarly broad array of the musical
and nonmusical sounds suffusing the soundscapes of mobility Volume 2 investigates the ramifications of mobile music
technologies on musical sonic performance and aesthetics Two core arguments are that mobility is not the same thing as
actual movement and that artistic production cannot be absolutely sundered from the performances of quotidian life The
volume s chapters investigate the mobilization of frequency range by sirens and miniature speakers sound vehicles such as
boom cars ice cream trucks and trains the gestural choreographies of soundwalk pieces and mundane interactions with
digital media dance music practices in laptop and iPod DJing the imagery of iPod commercials production practices in
Turkish political music and black popular music the aesthetics of handheld video games and chiptune music and the mobile
device as a new musical instrument and resource for musical ensembles **Video Source Book**, 2006 A guide to programs
currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health
science business industry children juvenile how to instruction
