Love And Survival The Scientific Basis For The Healing Power Of Intimacy:

Love & Survival Dean Ornish, 1998 What do love and survival have to do with each other Dr Dean Ornish's clinical research demonstrates that they are enmeshed in fact that our very survival depends on the healing power of love According to Dr Ornish the real epidemic in our culture is what he calls emotional and spiritual heart disease We can heal the loneliness isolation alienation and depression that are prevalent in our society and Dr Ornish provides the key to unlocking the miracle of love and allowing the healing to begin

Love and Survival Dean Ornish, 2011-11-15 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don't realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy

Love & Survival Dean Ornish, 1999 *Love and Survival* Dean Ornish, 2016-05-10 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don't realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy

Love and Survival Dean Ornish, 2001 Dr Dean Ornish transformed the treatment of heart disease when he proved that it could be reversed through diet and exercise In this book he shows that the real epidemic is an emotional and spiritual heart disease the profound sense of loneliness isolation alienation and depression in our society and the most powerful factor in the healing process are feelings of love connectedness and spiritual transformation He proves that the healing power of love and intimacy is more important than any other factor in medicine not diet smoking exercise stress genetics drugs or surgery have a greater impact on our quality of life incidence of illness and premature death from all causes Dr Ornish writes both from his clinical research and from his own struggles for intimacy and communication sharing the techniques and

strategies he has found effective in his personal life

Conscious Dating David Steele, 2007-10 We want to be happy in relationships but

don't know how The old way of dating and mating simply doesn't work anymore The rules have changed and most of us don't know what the new rules are In searching for love most singles are using trial and error flying by the seat of their pants or following bad advice Conscious Dating does not offer manipulative or deceptive practices that compromise who you are in fact it helps singles celebrate who they are and see being single as an opportunity and not a disease This is not just another dating book filled with tired ideas about how to get a man or woman Conscious Dating provides relationship information and strategies proven and tested with thousands of singles worldwide from a pioneering leader in the field of relationships

Deepening Community Paul Born, 2014-03-10 Community shapes our identity quenches our thirst for belonging and bolsters our physical mental emotional and economic health But in the chaos of modern life community ties have become unraveled leaving many feeling afraid or alone in the crowd grasping at shallow substitutes for true community In this thoughtful and moving book Paul Born describes the four pillars of deep community sharing our stories taking the time to enjoy one another taking care of one another and working together for a better world To show the role each of these plays he shares his own stories as a child of refugees and as a longtime community activist It's up to us to create community Born shows that the opportunity is right in front of us if we have the courage and conviction to pursue it **Theatre and the**

Good Mark Fearnow, 2007 Theatre and the Good examines the roots of theater from an anthropological perspective as well as theater's capacity for liberation using models of theater in prison dramatherapy and a spiritual opening felt by many The book argues that the ancient needs for which theater has arisen are still relevant and that theater is a much needed and effective pathway to meaning Performing Arts *10,000 Ways to Say I Love You* Gregory J.P Godek, 2009-11-01 The small book with the biggest collection of loving ideas ever gathered in one place now in a tenth anniversary edition This is the ultimate practical giftable resource for couples filled with 10 000 ideas for expressing affection From the author of the phenomenally successful 1001 Ways to Be Romantic America's Romance Coach Gregory J P Godek 10 000 Ways to Say I Love You overflows with surprise ideas back to basics classics that always work and inspired twists on creative expression Readers can express true affection with secret love notes perpetual bouquets secluded picnics outrageous gifts and 9 996 more ways to say I love you At one idea per day this book will last couples 27 4 years This tenth anniversary edition offers fresh tips for today's world of texting and social networking giving readers more reasons than ever to pick up this best loved romantic collection Experiencing the Father's Love Jack Frost, 2017-10-17 Experience the Love of the Father every day Seasons of crisis pain and loss may impact the people we become but our circumstances do not define who we are Your identity is greater than your experiences The only experience that ought to define your identity determine your self worth and shape your destiny is an encounter with **Conscious Dating: Finding the Love of Your Life and the Life That You Love**

David Steele, 2006 **A General Theory of Love** Thomas Lewis, Fari Amini, Richard Lannon, 2007-12-18 This original and lucid account of the complexities of love and its essential role in human well being draws on the latest scientific research

Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theory of Love demonstrates that our nervous systems are not self-contained from earliest childhood; our brains actually link with those of the people close to us in a silent rhythm that alters the very structure of our brains, establishes lifelong emotional patterns, and makes us in large part who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy. *What to Do When Someone You Love Is Depressed, Second Edition* Mitch Golant, Ph.D., Susan K. Golant, 2007-08-07. Originally published New York: Villard Books, 1996. *Work Stress and Coping in the Era of Globalization* Rabi S. Bhagat, James Segovis, Terry Nelson, 2016-04-01. This book examines the phenomena of how individuals experience work stress and coping in both developed and developing countries in the world. Rabi Bhagat, known for his cross-cultural scholarship in this area, and his co-authors help us recognize the causes and consequences of work stress. They present a systematic, comprehensive review of this topic with plenty of practical insights and case studies examining work stress and coping in the era of globalization. Researchers, practitioners, and students in the field of industrial/organizational psychology, organizational behavior, and human resources management will find this book of interest.
