Love Revealed Simeon Solomon And The Preraphaelites:

Love Revealed Colin Cruise, Museum Villa Stuck, 2005 This publication marks the centenary of Simeon Solomon 1840 1905 a leading painter of the Pre Raphaelite group that formed around Dante Gabriel Rossetti in the mid nineteenth century A precocious young talent Solomon enjoyed early critical success with his paintings of biblical and classical subjects but his public career was effectively destroyed when his homosexuality became public knowledge in 1873 Solomon is recognized today however as an important and influential figure in the Pre Raphaelite circle Love Revealed Victoria Osborne, 2005

Offenbarung der Liebe Jo-Anne Birnie Danzker, Victoria Osborne, Museum Villa Stuck, München, 2006 *The Cambridge Companion to the Pre-Raphaelites* Elizabeth Prettejohn, 2012-07-23 A general introduction to the Pre Raphaelite movement treating both literature and visual art *A Liminal Space* Ernest Rubinstein, 2021-09-24 This book takes one step further the long standing debate among scholars of religious antiquity over when and why a parting of the ways happened between Judaism and Christianity in the early centuries of the Common Era It explores three interrelated questions what might have happened to prevent that split how might Western religion have looked had the split not occurred and how might features of that religion which never existed nonetheless manifest in some of the literature and artworks of the past half millennium The book envisions a religion that stands between historical Judaism and Christianity a counterfactual

construction that challenges Jews and Christians to rethink their actual identities today **Writing the Pre-Raphaelites** Tim Barringer, 2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism s innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement s wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture **Pre-Raphaelite**

Masculinities Serena Trowbridge, 2017-07-05 Drawing on recent theoretical developments in gender and men s studies Pre Raphaelite Masculinities shows how the ideas and models of masculinity were constructed in the work of artists and writers associated with the Pre Raphaelite movement Paying particular attention to the representation of non normative or

Sappho Jonathan Goldberg, 2018 In Sappho Jonathan Goldberg takes as his model the fragmentary state in which this sublime poet s writing survives a set of compositional and theoretical resources for living and thinking in more fully erotic ways in the present and the future This book thus offers fragmentary commentary on disparate Sapphic works such as the comics of Alison Bechdel the paintings and cartoons of Leonardo da Vinci Robert Reid Pharr s Living as a Lesbian Madeleine de Scud ry s Histoire de Sapho John Donne s Sapho to Philaenis Todd Haynes and Patricia Highsmith s Carol Virginia Woolf s Orlando writings by Willa Cather and the paintings and writings of Simeon Solomon among other works Goldberg challenges readers to imagine and experience what Sarah Orne Jewett named the country of our friendship a love both exceedingly strange and compellingly familiar Just as Sappho s coinage bitter sweet describes eros as inextricably contradictory two things at once one thing after another each interrupting complicating each other the juxtapositions in this book mean to continually call into question categories of identity and identification in the wake of a quintessential woman writer from Lesbos Over and over again Goldberg s Sappho fragments inquires into how race sexuality and gender cross each other The theoretical genius of Eve Kosofsky Sedgwick presides over this set of meditations and mediations on likeness and desire Rather than homogenizing its many subjects it invites the reader to explore and inhabit new transits within and through what Audre Lorde called the very house of difference With an Afterword After Party Sappho Meets Freud written by L O Aranye Fradenburg Joy OK2BG Jack Dunsmoor, 2015 OK2BG is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in

the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder

Victorian Engagements with the Bible and Antiquity Simon Goldhill, Ruth Jackson Ravenscroft, 2023-10-12 The nineteenth century was a period in which ideas of history and time were challenged as never before This is the first book to explore how the study of classical antiquity and the study of the Bible together formed an image of the past which became central to Victorian self understanding These specially commissioned multi disciplinary essays brilliantly reveal the richness of Victorian thinking about the past and how important these models of antiquity were in the expression of modernity In an age of progress cultural anxiety and cultural hope was fuelled by the shock of the old new discoveries about the deep past and new ways of thinking about humanity s place in history The volume provides a rich and readable feast which will be fundamental to all those seeking a greater understanding of the Victorians as well as of the reception of classics and the Bible

The Smells and Senses of Antiquity in the Modern Imagination Adeline Grand-Clément, Charlotte Ribeyrol, 2021-12-16 This volume tackles the role of smell under explored in relation to the other senses in the modern rejection reappraisal and idealisation of antiquity Among the senses olfaction in particular has often been overlooked in classical reception studies due to its evanescent nature which makes this sense difficult to apprehend in its past instantiations And yet the smells associated with a given figure or social group convey a rich imagery which in turn connotes specific values perfumes scents and foul odours both reflect and mould the ways in which a society thinks or acts Smells also help to distinguish between male and female citizens and strangers and play an important role during rituals The Smells and Senses of Antiquity in the Modern Imagination focuses on the representation of ancient smells both enticing and repugnant in the visual and performative arts from the late 18th century up to the 21st century The individual contributions explore painting sculpture literature and film but also theatrical performance museum exhibitions advertising television series historical reenactment and graphic novels which have all played a part in reshaping modern audiences perceptions and experiences of the antique
