Richard Wagner and the Centrality of Love Barry Emslie, 2010 This is a bold book which argues that Wagner's music dramas cannot be understood if treated separately from his essays his life the intellectual and artistic climate of his day and the broader history of Germany Wagner attempts a range of reconciliations that are radical in content and form and appear to succeed partly because he is in well nigh complete command of the aesthetic product not only text and music but also

production practice Nonetheless all the reconciliations ultimately break down but in a manner that is illuminating This is not a celebration of the seamless work of art but a radical unpicking of the seemingly seamless Love is the central organising concept of the whole Wagnerian project Love sexual and spiritual egotistical and charitable love of the individual and of the race is the key Wagnerian driving force And therefore so is hate Of course Wagner cannot employ love without its opposite and it is critically significant that his anti semitism is based upon his view that the Jews are loveless The book handles Wagner s anti semitism and the ongoing row about it in a unique way in that it is shown to be aesthetically and intellectually productive for him This leads to a radical reinterpretation of Wagner s music dramas

Guardian Angel Academy Box Set: Books 1-4 Tamara Hart Heiner, 2024-02-06 Contains all four Guardian Angel Academy books Includes never before seen artwork and extended scenes Year 1 Renegade I was born from evil sent to destroy the angels who abandoned my kind He is a guardian angel sworn to protect the innocent and the pure I was never meant to fall in love But when I do I face a choice that could end everything Will I betray my own or sacrifice my heart Year 2 Redemption I delivered the dagger to the underworld and betrayed the angels who trusted me But they did not expel me from the academy Instead they gave me a second chance A chance to go to earth to learn about humanity To be with Maalik the angel I fell in love with But earth is not a paradise It is a battleground And I may have just triggered the Great War Year 3 Rebellion I was not made to feel to love to care But I loved an angel and I lost him Now I have one year to become a guardian in training for an earthly assignment and prove my soul is worth redeeming But the earth is not safe Darkness is spreading war is raging and Arcadia is in danger Year 4 Revolution Just when I got Maalik back the demons stole him from me and dragged him down to hell Hell underestimated me I rebelled against my masters and joined the guardians and now I have the power to save him But the war for my allegiance is only beginning Will I defeat the Fallen angels or will I succumb to my dark side
