Rapf, 2003-06-30 Table of contents *What Makes Sammy Run?* Budd Schulberg, 2011-05-25 What Makes Sammy Run Everyone of us knows someone who runs He is one of the symptoms of our times from the little man who shoves you out of the way on the street to the go

getter who shoves you out of a job in the office to the Fuehrer who shoves you out of the world And all of us have stopped to wonder at some time or another what it is that makes these people tick What makes them run This is the question Schulberg has asked himself and the answer is the first novel written with the indignation that only a young writer with talent and ideals could concentrate into a manuscript It is the story of Sammy Glick the man with a positive genius for being a heel who runs through New York s East Side through newspaper ranks and finally through Hollywood leaving in his wake the wrecked careers of his associates for this is his tragedy and his chief characteristic his congenital incapacity for friendship An older and more experienced novelist might have tempered his story and in so doing destroyed one of its outstanding qualities Compromise would mar the portrait of Sammy Glick Schulberg has etched it in pure vitriol and dissected his victim with a precision that is almost frightening When a fragment of this book appeared as a short story in a national magazine Schulberg was surprised at the number of letters he received from people convinced they knew Sammy Glick s real name But speculation as to his real identity would be utterly fruitless for Sammy is a composite picture of a loud and spectacular minority bitterly resented by the many decent and sincere artists who are trying honestly to realize the measureless potentialities of motion pictures To this group belongs Schulberg himself who has not only worked as a screen writer since his graduation from Dartmouth College in 1936 but has spent his life literally in the heart of the motion picture colony In the course of finding out what makes Sammy run an operation in which the reader is spared none of the grue some details Schulberg has poured out everything he has felt about that place The result is a book which the publishers not only believe to be the most honest ever written about Hollywood but a penetrating study of one kind of twentieth century success that is peculiar to no single race of people or walk of life **Cult Fiction** Andrew Calcutt, Richard Shephard, 1998 What makes a novel cult drink and drugs sex and rock n roll a window on subcultures the ability to tap into the zeitgeist This book provides an insight into the cult canon assessing 250 authors who have pioneered experiments in style and content from Kathy Acker and Nelson Algren via Burroughs and Bukowski to Tom Wolfe and Irvine Welsh *Contemporary Novelists* Noelle Watson, 1991 Contains entries for each author with a biography a list of separately published books and an essay *Motion Picture Almanac* , 2007 **International Television & Video Almanac** , 2007 **World Authors, 1900-1950** , 1996 Provides almost 2700 articles on twentieth century authors from all over the world who wrote in English or whose works are available in English translation *Jim Kobak's Kirkus Reviews* , 1990 **The New York Times Book Review** , 1990 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Talking Book Topics** , 1992 Includes audio versions and annual title author index **Writer's Directory** Saint Martins Press Inc, 1994
