Love And Fateful Encounters The Power Of Romantic Passion:

Dreams of Love and Fateful Encounters Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of *Dreams of Love and Fateful Encounters* emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love's vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love's sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover's internal soliloquy and external dialogue with the beloved that can develop over an individual's life An uplifting resource for people experiencing failing or unorthodox romances *Dreams of Love and Fateful Encounters* boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life

Encounters Ethel Spector Person, 1990 Written by a clinical professor of psychiatry at Columbia University USA this study provides an exploration of romantic passion which offers insights into how why and with whom we fall in love *Modern Loves* Jennifer S. Hirsch, Holly Wardlow, 2006 Grounded in recent cutting edge feminist anthropological theory these essays discuss how women and men do courtship intimacy and marriage around the world *Women, Love, and Power* Elaine Baruch, 1992-10 Elaine Baruch is not only among the most quiet voiced and fair minded of feminist writers She is also among the most far ranging in her scholarship equally at ease with the writers of the Renaissance and Freud the medieval troubadours and our contemporary polemicists instructive absorbing and persuasive Diana Trilling A lively mind is at work

here and a keen and witty writer too Irving Howe This is a fine collection of essays making many imaginative conjectures and amusing connections Times Literary Supplement In these essays what emerges is a history of romantic love Highly recommended Library Journal Arguing that romantic love need not be a tool of women's oppression feminist critic Baruch contends that unacknowledged male fantasies about love motivate much literature by men rewarding provocative Publishers Weekly Utilizing both Freudian and non Freudian psychoanalysis as well as feminist criticism Baruch examines literary works by women and men from medieval and Romantic periods as well as cultural observations on the twentieth century and how they have influenced attitudes toward love

The Sedgwicks in Love Timothy Kenslea, 2006 The courtships engagements and marriages of the sons and daughters of Theodore and Pamela are the subject of this book

Love Honor and Negotiate Betty Carter, Joan Peters, 1997-06 In *Love Honor and Negotiate* Making your Marriage Work family therapist Betty Carter offers a cutting edge common sense approach to helping marriages survive grow and flourish renegotiating the marriage contract

Hegel and the Logical Structure of Love Toula Nicolacopoulos, George Vassilacopoulos, 2010 This study presents an original interpretation of the meaning and complex inter relationship of the concepts of love sexuality family and the law It argues that they should be understood as forms of interplay between the subjective and the objective necessity and contingency and unity and difference A comprehensive elaboration of these forms is to be found in Hegel's Science of Logic the conclusions of which he used to organise his ethical and political thought The argument is introduced with a discussion of the relevance of Hegel's speculative philosophy to modernity The authors then explore the relationship between thought being and recognition in Hegel's philosophical system and offer an interpretation of the Science of Logic This interpretation forms the basis of a re assessment of Hegel's treatment of love sexual relationships the family and law A Hegelian account of familial love is employed to review recent debates within a range of discourses including feminism family law and gay and lesbian studies As well as addressing current concerns about sexual difference and the ontology of homosexuality the study provides a guide to reading Hegel in an original and productive way It will be of interest to philosophers feminists theorists of sexualities ethical and legal theorists

Beyond Romance M. C. Dillon, 2001-10-05 Critiques the predominant romantic ideal

Divine Madness John R. Haule, 2010-03 *Divine Madness* Archetypes of Romantic Love examines the transforming experience of romantic love in literature myth religion and everyday life A series of psychological meditations on the nature of romantic love and human relationship *Divine Madness* takes the perspective that human love is a species of divine love and that our experience of romantic love both conceals and reveals the ultimate Lover and Beloved John Haule draws on depth psychology the mystical traditions of the world and literature from Virgil to Milan Kundera to lead the reader inside the mind and heart of the lover Each chapter explores a characteristic aspect of relationship such as seduction and love play the rapture of union the agony of separation madness woundedness and transcendence Focusing on the soulful and spiritual meaning of these experiences *Divine Madness* sheds light on our elations obsessions and broken hearts but it also reconnects

us with the wisdom of time immemorial As a practicing Jungian analyst and former professor of religious studies John Haule masterfully guides his readers through the labyrinth of everyday experience and the often hidden layers of archetypal realities sketching a philosophy of romantic love through the stories of the world's literature and mythology Sex and Sensibility Arlene Stein, 2023-04-28 In the first book to analyze shifts in lesbian identity consciousness and culture from the 1970s to the 1990s Arlene Stein contributes an important chapter to the study of the women's movement and offers a revealing portrait of the exchange between a radical generation of feminists and its successors Tracing the evolution of the lesbian movement from the bar scene to the growth of alternative families Stein illustrates how a generation of women transformed the woman centered ideals of feminism into a culture and a lifestyle Sex and Sensibility relates the development of a queer sensibility in the 1990s to the foundation laid by the gay rights and feminist movements a generation earlier Beginning with the stories of thirty women who came of age at the climax of the 70s women's movement many of whom defined lesbianism as a form of resistance to dominant gender and sexual norms Stein explores the complex issues of identity that these women confronted as they discovered who they were and defined themselves in relation to their communities and to society at large Sex and Sensibility ends with interviews of ten younger women members of the post feminist generation who have made it a fashion to dismiss lesbian feminism as overly idealistic and reductive Enmeshed in Stein's compelling and personal narrative are coming out experiences questions of separatism work desire children and family Stein considers the multiple identities of women of color and the experiences of intermittent and ex lesbians Was the lesbian feminist experiment a success What has become of these ideas and the women who held them In answering these questions Stein illustrates the lasting and profound effect that the lesbian feminist movement had and continues to have on contemporary women's definitions of sexual identity This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997 In the first book to analyze shifts in lesbian identity consciousness and culture from the 1970s to the 1990s Arlene Stein contributes an important chapter to the study of the women's movement and offers a revealing portrait of the exchange between a r Aesthetic Experience George Hagman, 2011-07 George Hagman looks anew at psychoanalytic ideas about art and beauty through the lens of current developmental psychology that recognizes the importance of attachment and affiliative motivational systems In dialogue with theorists such as Freud Ehrenzweig Kris Rank Winnicott Kohut and many others Hagman brings the psychoanalytic understanding of aesthetic experience into the 21st century He amends and extends old concepts and offers a wealth of stimulating new ideas regarding the creative process the ideal beauty ugliness and perhaps his most original contribution the sublime Especially welcome is his grounding of aesthetic experience in intersubjectivity and health rather than individualism

and pathology His emphasis on form rather than the content of an individual's aesthetic experience is a stimulating new direction for psychoanalytic theory of art With this work Hagman stands in the company of his predecessors with this deeply learned sensitively conceived and provocative general theory of human aesthetic experience Ellen Dissanayake author of *Art and Intimacy How the Arts Began and Homo Aestheticus Where Art Comes From and Why* **The Tangled Wing** Melvin Konner, 2003-02 A vital updating of a seminal work of science First published to great acclaim twenty years ago *The Tangled Wing* has become required reading for anyone interested in the biological roots of human behavior Since then revolutions have taken place in genetics molecular biology and neuroscience All of these innovations have been brought into account in this greatly expanded edition of a book originally called an overwhelming achievement by *The Times Literary Supplement* A masterful synthesis of biology psychology anthropology and philosophy *The Tangled Wing* reveals human identity and activity to be an intricately woven fabric of innumerable factors Melvin Konner's sensitive and straightforward discussion ranges across topics such as the roots of aggression the basis of attachment and desire the differences between the sexes and the foundations of mental illness *Making a High-Conflict Marriage Work: Finding Happiness in Imperfect Harmony* Joshua Coleman, Ph D., 2011-08-23 Previously published as part of *Marriage Makeover* A clinical psychologist with a thriving family practice Dr Coleman sees the same situation again and again Couples enter therapy on the verge of divorce and after several weeks find a renewed sense of joy and interest in their marriage This work inspired him to write *Marriage Makeover* which offered unhappy couples now have a viable alternative to divorce Now in *MAKING A HIGH CONFLICT MARRIAGE WORK* ebook Dr Joshua Coleman shares an abundance of simple yet practical tools for resolving conflict within a highly stressed marriage the same tools with which Dr Coleman has taught thousands of people how to live happily together in imperfect harmony *As Time Goes By* Abigail Trafford, 2010-01-12 People today are living longer and healthier lives than at any other time in history with profound implications for the nature of their romantic relationships In this inspiring new book best selling author Abigail Trafford describes how people over fifty are rewriting the script of love and in the process redefining the institution of marriage for future generations Drawing on interviews with hundreds of men and women married and single gay and straight she shows how the unprecedented period of vitality after midlife but before traditional old age is much more complicated romantically and sexually than those glossy images of gray haired people on the beach would suggest And she reveals how today's fifty plus men and women are raising the bar on marital satisfaction They are more likely to break up an unhappy liaison than previous generations and they are more freewheeling in finding new formulas for romantic satisfaction Trafford deftly narrates what it means to love and be loved in the decades after midlife and she offers solutions to the most common problems that define this time of life Whether she's shedding light on retired spouse syndrome sharing stories of sexual turmoil explaining how to plan a marital time out or navigate the troubled waters of divorce Trafford's wise and compassionate counsel is imbued with her signature warmth and reassurance *As Time Goes By* is an urgently

needed guide to the pursuit of love and happiness in this dynamic stage of life **On Intimate Terms** Beverly Burch,1993

On Intimate Terms looks at the internal logic of lesbian relationships arguing that they are not patterned after heterosexual ones but rely on the interplay of psychosexual differences between women The book suggests that everyone seeks psychic complementarity with an Other in intimate relationships as a way of supporting personal growth and development A complementary partner is one who is different in some individually meaningful way not necessarily in terms of gender Drawing upon interviews with individuals and lesbian couples literature on lesbian psychology and contemporary psychoanalytic theory Beverly Burch observes a special attraction between primary lesbians women who have been attracted to other women from an early age and lesbians who formerly were heterosexual This difference may be a source of tension for lovers but it also attracts and bonds them in conscious and unconscious ways The intimacy between lesbian partners permits interpersonal exchanges that foster the continuing development of each according to Burch This development can occur in three areas with the significance of each varying from couple to couple It can be a source of both conscious and unconscious psychosexual exchanges a way in which each partner can experience the road not taken through her relationship with the other The partners different histories can reflect different ways of negotiating difference itself a pivotal theme in the development of adult women And gender role identities related to different developmental experiences can be played with expanding the experience of being female in a way that can challenge gender categories **Invented Moralities** Jeffrey Weeks,2013-05-28 This is an important intervention in debates on the family and sexuality exploring clashes over sexual values and contemporary sexual dilemmas such as AIDS Contemporary Psychoanalysis in America Arnold M. Cooper,2008-05-20 This book is a unique and superb gateway to current psychoanalytic thinking Thirty of America's foremost psychoanalysts leaders in defining the current pluralistic state of the profession have each presented what they consider to be their most significant contribution to the field No mere anthology these are the key writings that underlie current discussions of psychoanalytic theory and technique The chapters cover contemporary ideas of intersubjectivity object relations theory self psychology relational psychoanalysis hermeneutics clinical technique changing concepts of unconscious empirical research infant observation gender and sexuality and more While the differences in point of view are profound there is also a striking coherence on some core issues Each of the contributions features an introduction by the volume editor and a note by the author explaining the rationale for its selection The brilliant introduction by Peter Fonagy provides an overview and places each author in the context of contemporary psychoanalysis A list of the authors may convey the astonishing breadth of this volume Brenner Bromberg Busch Chodorow Cooper Emde Friedman Gabbard Goldberg Greenberg Grossman Hoffman Jacobs Kantrowitz Kernberg Levenson Luborsky Michels Ogden Ornstein Person Pine Renik Schafer Schwaber Shapiro Smith Stern Stolorow Wallerstein This is a best of the best volume cutting edge writing highly accessible and studded with vivid clinical illustrations Anyone wishing to acquire a comprehensive authoritative readily

accessible even entertaining guide to American psychoanalytic thinking will find their goal fulfilled in this monumental collection

Barriers to Loving Stephen B. Levine, 2013-10-23 *Barriers to Loving* is an intriguing exploration of the role of sexual love over the course of life. Beginning with the mental health professions' avoidance of the topic, Levine proposes a compendium of love's pathologies by reorganizing what is familiar to clinicians into the barriers that limit the formation of adult love: impediments that diminish a partner's lovability and the impediments to feeling and expressing love for a partner. Before reviewing scientific contributions to the understanding of love, he explores the topics of sexual excess and infidelity and how they relate to the aspiration to love and be loved. The final two chapters synthesize with clarity what to teach about love to young professionals in order to prepare them for the complexities they will soon encounter and provide a sophisticated answer to the question: What is love? *Barriers to Loving* integrates humanism, science, and clinical experience in Levine's long-appreciated unique and mature voice.

The Kennedy Obsession John Hellmann, 1999-03-19 John F. Kennedy was not only a president but also a symbol for America's most cherished ideas. In *The Kennedy Obsession*, John Hellmann takes a thoroughly original approach to understanding Kennedy's star power and his carefully crafted public image. Tracing Kennedy's self-creation as diligent scholar, bashful hero, and sensitive rebel, cued by cultural figures such as Lord Byron, Ernest Hemingway, and Cary Grant, and the images of Kennedy in the aftermath of his assassination, Hellmann reveals the painstaking transformation of private life into public persona of a man into perhaps the major American myth of our time.
