Love Zia Obodiyat, 2020-09-02 Book Delisted **Greater Love Has No Man** Rita Leonty-Favreau, 2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate

When Courtney Willard sets out to manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope Emotions of Love R. L. Canham,2013-07 Emotions of Love presents a poetry collection about love confusion and the challenging decisions one has to make in life Each verse considers what is right for each of us at any particular moment in our lives There are no true answers in this poetry only author R L Canham s explanations of his emotions and explorations of how he feels Perhaps you ve felt the same or been in similar situations When Canham began writing poetry he wanted simply to say I love you to someone special He did so and the lady in question loved his poems as time went on however some things changed as all things do He turned to poetry to explore life and the challenges that each of us face From the beauty of love to the pain of the last goodbye Canham captures the thoughts and feelings that shape our world Our Life To hold her hand to walk with her To see her smile to hear her laugh To kiss her with such desire To hold her in my arms to feel her warmth To fall asleep in each other s arms To share the wonder of what life will bring us To know one day that our hearts are one To live and love like no other To know at last that fate has won *Truth's Pathway to Peace and Happiness* John A. time in Kosair Children s Hospital until he walked out of his braces A lot of years have passed then one day when he was nineteen he began to write about his childhood He soon after that decided to write more He discovered that he had a special gift from God So he began to write about all of his pathways and lifestyles Throughout his life everything that happened to his life he wrote into a poem all of his love and all of his broken heart He decided one day for all of his babies to come to life So he decided to write a book where everybody in the world can not only enjoy the poem but also can relate to it Sometimes when something makes it to the news he writes about the situations and puts it into a poem After forty years of writing he decides the time has finally arrived for the world to be introduced to all of his poetry He realized that he has a great God gift and is blessed to have many people who have so much love and respect to his poetry **Love Knows No Boundaries**

Coffee,2014-05-09 There s a right and a wrong way to love and to be loved but what happens when that love has no limits How far is too far Is it Acacia s jealousy that causes her to dangerously love Willing to lose her sanity before losing her man Is it Minnie s blind devotion to her husband that renders her unable to see the duplicitous life he leads that threatens to shatter their marriage Is it Elias narcissism that makes him incapable of loving anyone but himself But having met his egotistical match will her indifference make him love her as insanely as he loved himself Or is it Samiyah s immeasurable urge to quench the loneliness in her relationship with outside indulgences Torn between two who will she choose Him or her Faced with unforgiving realities these close friends prove in heartbreaking clarity what happens when Love Knows No Boundaries **God's Love Knows No Limits** Tylia L. to us which parts are written for us and which parts are for our moral guidance Most of all we need to go back to the first century and see how the followers of Jesus lived We need to learn the customs at that time the idioms of their speech We need to be aware of what the first century political climate was like in order to understand the New Testament The Book of Hebrews talks a lot about the Order of Melchizedek What is that order This book will explore this along with one core question What is the secret that believers have been missing all these years about what God expects from us Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are

Journey Beyond Linear Time Raphael Jara,2016-11-28 What would it be like to transcend the limitations on planet earth How intriguing would it be to experience life through a higher mind with significantly broader experiences than you ever imagined Journey Beyond Linear Time reveals that heaven is neither up there nor out there somewhere Instead it is right here where we stand The author has walked on this earth in pure spirit multiple times in this incarnation He has seen inside others and recognized their scars their pain and the troubles they bore He has had divine experiences right here on earth which most would consider out of this world And he has been inside the massive and expansive energy field we refer to as God He states that it exists it is substantive and it is where we come from The author of Journey Beyond Linear Time Raphael Jara was born spiritually awake and is now sharing some of his own extraordinary experiences here on earth He takes the reader on a journey through our earthly indulgence in simple mind and opens the pathway for us to realize who we truly are And that realization will bring us to the truth of our existence and the reason for which we take this journey to the denseness of planet earth He states A profound truth is that we are multidimensional beings having a human experience with the ability to transform ourselves from our limiting human capacity into our divine essence with capabilities beyond the imagined And with this higher level of consciousness we can then live our lives through truth and not through the unconsciousness that appeases the simple mind Our capability far transcends our human limitations for we are the expressions of the universal self

Love Larry Cochran,2017-02-12 Love is not a topic that people look at when it comes to war and warfare but it really should be The Christian is commanded to love God and their neighbor but too many have thrown away this weapon in hopes of fighting with the same tools the world uses That is a big mistake when it is not just a weapon Love is
