**Dialogue Among the Faith Communities** Lucien F. Cosijns, 2008 After twenty five centuries of rapid human evolution dialogue has now come to be a word and concept of daily use in the media and a theme of discussion all over the world In this current period of our human history the centuries long struggle for survival and our belligerent confrontation with each other is being replaced by a new era of collaboration in dialogue The most intriguing aspect of this new dialogue is that the interfaith conversation has extended worldwide within the past fifteen years Ultimately this new conversation has resulted in efforts towards a corroborative dialogue between the world of faiths and the political world This book's aim is to sketch this striking movement in its philosophical and religious evolution and expression *The Global Community & the need for Universal Responsibility* His Holiness the XIVth Dalai Lama , 2015-01-01 His Holiness the Dalai Lama is admired and respected world wide as a man of peace As spiritual leader of the Tibetan people he has consistently championed policies of non violence even in the face of great aggression an approach that in 1989 won him the Nobel Peace Prize In lectures and tours around the world he has touched the hearts of people of different cultures and religions with the simplicity profundity and universality of his message that of greater understanding mutual respect and compassion amongst the nations and people of this world In this booklet His Holiness offers a way of approaching the new political challenges of our rapidly changing world based on a genuine feeling of global and universal responsibility His statement also affords insight into the way of thinking of one of today's truly great world leaders *1400 LESSONS FROM THE 14TH DALAI LAMA* Akṣapāda, 1400 LESSONS FROM THE 14TH DALAI LAMA The great Buddhist monk and 14th Dalai Lama Tenzin Gyatso is the spiritual and political leader of the entire Tibet He was selected and ordained as per the traditions and believed to be the reincarnation of his predecessor This strong advocate of non violence peace and compassion was bestowed with Nobel Peace prize in 1989 Due to the political conflicts with China he fled to India and still striving hard for the fundamental rights of the people of Tibet This book 1400 Lessons from the 14th Dalai Lama brings you the vast collection of quotes from this great visionary and humanitarian who has devoted his entire life for a peaceful and delighted world **A Call to Compassion** Aura Glaser, 2005-01-26 Aura Glaser wrote this book to remedy a deficiency she discovered while engaged in psychological research a nearly complete omission of the importance and cultivation of compassion Other books exploring Buddhism and psychology have focused on what the Theravada school of Buddhism which teaches personal liberation through enlightenment can offer psychology A Call to Compassion works with Mahayana Buddhism in which

practitioners commit to the liberation of all sentient beings with compassion central to attaining that goal In her fascinating and exceptionally clear and concise review of the work of Freud Jung and others Glaser shows how psychology has been ambivalent about the subject of compassion and therefore has developed no methodology for helping individuals cultivate this essential quality in the service of helping others Glaser introduces as a remedy the Buddhist practice of the lojong expressed in the text of The Seven Points of Mind Training for developing love and compassion With modern day life examples she illustrates the four major points compassion for self compassion for others exchanging self and others and no self and no other affirming that these points are indeed attainable If we make the effort to contemplate understand and truly integrate these four essentials we will have a sound basis for both psychological health and genuine transformation DIV

to attract assistance from Western governments organizations and individuals while other refugee populations are largely forgotten in the international agenda This book shows and discusses how Tibetan refugees continue to attract resources due notably to the dissemination of their political and religious agendas as well as how a movement of Western supporters born in very different conditions guaranteed a unique relationship with these refugees      **Peace Within Our Grasp** Crandall R. Kline, Jr.,2009-06-05 This book is dedicated to the memory of these two good friends and all the others from the Army Specialized Training Program ASTP at the Texas Western College in El Paso Texas who gave their lives that the rest of us in the 12th Armored Division might live John Fuchs and John Haufle were in the 17th Armored Infantry 12th Armored Division and they were killed in action in Alsace France in the winter campaign of 1944 45 The rest of us in the 12th Armored Division have had 60 more years to live getting married raising families and building careers It is fitting that we give some time to studying the causes of wars and speaking out to make the changes in the United Nations that are necessary to make it effective in bringing peace
