Love Letter from an Impossible Land ... Foreword by Archibald Macleish William Meredith,1944 Dead on a High Hill W.D. Ehrhart,2014-01-10 A new collection of Bill Ehrhart s essays 25 of them written between 2002 and 2012 on subjects ranging from the Vietnam War failures of American policy makers to life in 21st century Vietnam the trenches of the Western Front the mountains of Korea the sands of Iraq from the value of one s name to the cowardice of Congress mountain gorillas in Rwanda the journalist Gloria Emerson teaching poetry to teenagers on the famous Wilfred Owen and the obscure Robert James Elliott These essays explore the fallacies of history the madness of war the craft of poetry the profession of teaching and the art of living **The Concise Oxford Companion to American Literature** James D. Hart,Wendy Martin,Danielle Hinrichs,2021-01-21 For nearly half a century James D Hart s Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino a and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies **The Open Door** Don Share,Christian Wiman,2022-12-22 If readers would like to sample the genius and diversity of American poetry in the last century there s no better place to start World Literature Today When Harriet Monroe founded Poetry magazine in Chicago in 1912 she began with an image the Open Door For a century the most important and enduring poets have walked through that door William Carlos Williams and Wallace Stevens in its first years Rae Armantrout and Kay Ryan in 2011 And at the same time Poetry continues to discover the new voices who will be read a century from now To celebrate the magazine s centennial the editors combed through Poetry s incomparable archives to create a new kind of anthology With the self imposed limitation to one hundred they have assembled a collection of poems that in their juxtaposition echo across a century of poetry Here Adrienne Rich appears alongside Charles Bukowski famous poems of the two world wars flank a devastating yet lesser known poem of the Vietnam War Short extracts from Poetry s letters and criticism punctuate the verse

selections hinting at themes and threads and serving as guides interlocutors or dissenting voices The resulting volume is a celebration of idiosyncrasy and invention a vital monument to an institution that refuses to be static and most of all a book that lovers of poetry will devour debate and keep close at hand Obsessive Images Joseph Warren Beach,1960 Obsessive Images was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions As Mark Schorer comments this is the last unfinished work of a distinguished well loved critic poet and professor After the death of Joseph Warren Beach his colleague and friend William Van O Connor professor of English at the University of Minnesota prepared the unfinished manuscript of this work for publication and wrote the foreword The work is primarily a study of certain words phrases and images that turn up with unusual frequency in modern American poetry especially that of the decades of the 1930 s and 1940 s and which are used in unusual senses to carry special symbolisms or to imply peculiar philosophical attitudes Since the study is concerned with such recurring images and themes many poets of distinction in whose work they are not to be found are left out but Professor Beach also discusses the significance of the absence of these poets Students and critics will gain insight through this work into the characteristic attitudes of a generation of poets The book is moreover a delight to read reflecting as it does Mr Beach s own love for the study of poetry As Professor O Connor points out the tone is much more personal than that of Mr Beach s other books Effort at Speech William Meredith,1997-05-01 Winner 1997 National Book Award for Poetry A contemporary of Berryman Bishop and Lowell William Meredith shared neither the bohemian excesses of the Beats nor the exhibitionist excesses of the confessional poets Rather he was known as a poet whose unadorned formal verse marked him as a singular voice Effort at Speech the definitive collection of Meredith s life work contains poems chosen by the author from throughout his career as well as several new works and an essay by Michael Collier placing Meredith in his times **Princeton Alumni Weekly** ,1943 *The Continuum Encyclopedia of American Literature* Steven R. a Great Height 1980 1989 the sixth and final volume of the author s selected letters provides crucial documentation of this period containing Warren s correspondence with friends family fellow writers editors critics and the scholars studying his works Warren published several volumes of poetry including *Being Here* 1980 *Rumor Verified* 1981 and *Chief Joseph of the Nez Perce* 1983 and returned to nonfiction prose with *Jefferson Davis Gets His Citizenship Back* 1980 and the memoir *Portrait of a Father* 1988 His letters reveal that he tried to begin writing a novel but was unable to make substantial progress on it and that from 1985 on he became increasingly dissatisfied with his new poems Until his death at age eighty four however Warren maintained an active correspondence filled with news about his writings and travels accounts of the lives of his wife and children and a stoic attitude about his own physical decline as well as a solicitousness regarding the health of others such as his brother Thomas and sister Mary He communicated with rising young scholars and encouraged younger poets he admired *Toward Sunset at a Great Height* offers rich insights into the closing chapter of Robert Penn Warren s professional and personal life making it an essential resource for understanding the full scope of the author s contribution to American letters
