The Granny Nanny Lois Young-Tulin,2005-05-31 Think about it In order to be grandmothers we once had to be mothers After giving birth we as the mothers were responsible for our baby s child s well being As grandmothers on the other hand we have choices Our roles are open for interpretation and conscious choices When I became a grandmother and even when

my daughters in law were pregnant I made a conscious decision to be an involved grandmother one of the caretakers or a Granny Nanny I was sure that helping out and taking care of a baby would be easy like getting back on a bicycle after a twenty year lapse Oh how wrong I was There are new rules new products new findings and plenty of taboos How did my three children ever survive their hazardous childhoods Parenting rules have gone through some serious revisions since author Lois Young Tulin raised her kids In her helpful guide The Granny Nanny Young Tulin offers a unique opportunity for today s grandmas to hone their skills and learn the twenty principles for successful grandmothering in a modern world

Ellis, PhD,2014-05 This is my Mom s journal the daily life of a single teenage mother Her experience with me as an infant was so much fun My Mom soon learned that it wouldn t be easy caring for a baby all day every day Day one began the journey when she introduced me to her friends and family She fixed my curly brown hair up in a bow and put a newborn diaper on me Mom didn t know there were so many styles of diapers to choose from in the store It was mind boggling My mom said I had the cutest little ears she had ever seen I was very heavy for mom to carry me everywhere all over school including her books The only time when she needed a babysitter was when she had football games and class so basically I was with the babysitter all day I saw right then that day care would be a necessity I hired my parents my granddad and my friends to baby sit

Whenever I and the other went to practice we created a meeting place in the classroom If Abigail were in need care services I would pay around 90 a week just for her to go to day care and that doesn t include any extra food or diapers I would need to send I also couldn t imagine having to wake up every two hours all night long to feed change diapers and rock Abigail back to sleep Then again I know I would really love my baby so I would take care of her the proper way Before Abigail was born I know I was going to name her Abigail If one day I have a boy I am going to name him Colton Hopefully whomever I marry will think the same I have decided I only want a few children about three but I definitely do not want to be a pregnant mom in college taking care of more children when I am only a kid myself I know I would have to focus on my schoolwork instead of taking care of a baby I gave Abigail a certain time to play and then it was nap time for my little baby She needed her rest for the next day because we would have to go to school then day care all over again **Super Granny** Sally Wendkos Olds,2009 And there s something for even the most computer savvy kid along with more traditional forms of entertainment including treasure hunts dress up and crafts Many of the ideas encourage reading and writing but always with fun in mind such as creating a blog or a family cookbook Handy icons help Grandma pinpoint those projects that suit her pocketbook energy level and interests there s even one for long distance grandmothers seeking to connect with their grandkids
