*A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

The easy-to-use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library. *A Guide to Biblical Commentaries and Reference Works* 11th Edition is a key reference tool for any student of the Bible, pastors, laity, and scholars alike.      *A Guide to Biblical Commentaries and Reference Works* John F. Evans, 2016-05-03 *A Guide to Biblical Commentaries and Reference Works* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness, especially for evangelical interpreters of the Bible. *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.      **Heaven** Christopher W. Morgan, Robert A. **Jesus Becoming Jesus, Volume 3** Thomas G. Weinandy, 2022-09-28. Jesus Becoming Jesus Volume 3 follows upon the previous two volumes of this series entitled Jesus Becoming Jesus. Volume 1 was a theological interpretation of the Gospels of Matthew, Mark, and Luke, and volume 2 was a theological interpretation of the Prologue and Book of Signs of John's Gospel chapters 1-12. Unlike many conventional biblical commentaries, Weinandy concentrates on the theological content contained within John's Gospel. This is accomplished through a close reading of John's Gospel, theologically interpreting each chapter of the Gospel sequentially. In so doing, he also takes into account the Johannine corpus as a whole. He also relates John's Gospel to relevant material found

within the Synoptic Gospels the Pauline Corpus and other New Testament writings In this present volume Weinandy's original theological interpretation focuses first on the Evangelist's narrative of the Last Supper which includes Jesus washing of his disciples feet followed upon his lengthy farewell address and his ensuing High Priestly Prayer chapter 13-17 Although Jesus speaks of his leaving his disciples yet their hearts should not be troubled for he is going to prepare a place for them in his Father's house and he will also send them another Counselor the Holy Spirit The Holy Spirit will not only convict the world sin but he will also empower the disciples to profess their faith in Jesus as the Father's Son even in the midst of persecution All that Jesus tells his disciple in his final discourse he then prays that his Father will accomplish through his forthcoming death and resurrection above all that his disciples will share in the same oneness of love that he and his Father possess Weinandy masterfully treats John's Passion and Resurrection Narratives He not only theologically interprets the uniqueness of the Evangelist's narratives but also how his narratives intersect with the Synoptic accounts Moreover Weinandy's theological reading of Jesus crucifixion and resurrection weaves together John's soteriology ecclesiology and sacramentality all of which are founded upon the Incarnation that Jesus is the Father's Spirit-filled incarnate Son As the title suggests Jesus being named Jesus in his death and resurrection definitively enacts his name and so becoming who he is YHWH Saves

informed practice for teaching and Christian education      **The Doctrine of Eternal Life** Pastor Kevin Kline, 2020-03-09 The Doctrine of Eternal Life is a civil minded study of Calvinism and Arminianism in the light of scripture It answers many questions that have plagued both followers of John Calvin and Jacobus Arminius alike Questions are answered as such Does the Bible really teach that God chooses some people for heaven and some for hell Can eternal life be lost Why in 2 Timothy 2 10 was Paul willing to endure all things for the elect s sake so that they may obtain salvation if the elect were already saved Is eternal life given by God as a gift or as a payment for doing good works Discover the doctrine that Calvin seemingly overlooked which led to some lengthy and unnecessary teachings Where did Arminius depart from a fundamental truth of scripture What is the Bible definition of eternal life Is the future written in stone And of course a simple Bible based explanation of the TULIP doctrine Learn how a brilliant theologian with a single innocent assumption may arrive at an incorrect conclusion while a lowly person with average intelligence using a superior method of study may arrive at the correct conclusion
