Luke The Historian In Recent Study:

Luke the Historian in Recent Study C. K. Barrett, 2009-05-22 The Lucan problem has all at once become a burning one says a famous German scholar Professor Ernst K Semann in a recent book Few English readers it is fair to say so much as know that there is a problem This problem involves not only renewed discussions of the life of Jesus but also questions about the apostolic Church its gospel and preaching its common life and ministry This lecture first offers a short account of some of the most important recent contributions to the understanding of Luke's work and then considers some of the problems afresh What made Luke a historian and led him alone so far as we know among his contemporaries to write the story of Christianity from the birth of Jesus to Paul's mission to Rome How was his work affected by the example of older historians What was his attitude to the theological problems of his day What did he set out to achieve in his two volumes What lessons may the twentieth century Church learn from his work These are among the questions raised by this lecture Luke the Historian in Recent Study Charles Kingsley Barrett, 1962

Luke the Historian in Light of Research Archibald Thomas Robertson, 2018-02-28 The work of the last fifteen years has created new interest in the writings of Luke The relation of Luke's Gospel to Mark's Gospel and the Logia of Jesus has sharply defined his own critical methods and processes The researches of Harnack Hobart and Ramsay have restored the credit of Luke with many critics who had been carried away by the criticism of Baur and who looked askance upon the value of Luke as the historian of early Christianity It has been like mining digging now here now there The items in Luke's books that were attacked have been taken up one by one The work has been slow and piecemeal of necessity But it is now possible to gather together into a fairly complete picture the results It is a positively amazing vindication of Luke The force of the argument is cumulative and tremendous One needs to have the patience to work through the details with candor and a willingness to see all the facts with no prejudice against Luke or against the supernatural origin of Christianity From the Preface *Luke the historian in recent study* Charles K.

Barrett, 1970 **Interpretation of Tongues and Prophecy in 1 Corinthians 12-14, with a Pentecostal Hermeneutics** Jeon Ahn Yongnan, 2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions The author also applies a Pentecostal hermeneutical methodology to Paul's teaching on tongues and prophecy in 1 Corinthians 12-14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative Paul's texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community **What is Redaction Criticism?** Norman Perrin, 2002-07-11 For the past several decades New Testament scholarship has been strongly influenced by a discipline that arose in post war Germany and is here called redaction criticism Professor Perrin defines redaction criticism as the discipline concerned with the theological motivation of an author as it is revealed in the collection arrangement editing and modification of traditional
