

LUST vs. LOVE

What's the Real Deal?

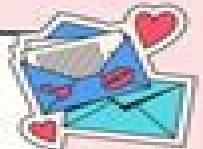

LUST

- Based on physical attraction
- Short-term focus
- Selfish desire
- Can be fleeting and superficial
- Leads to temporary satisfaction
- Driven by hormones
- Can be impulsive and reckless
- Often leads to heartbreak

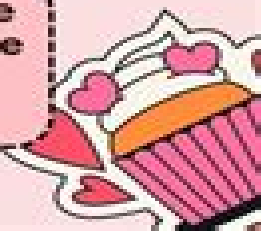

LOVE

- Based on emotional connection
- Long-term commitment
- Selfless giving
- Deep and meaningful
- Creates lasting happiness
- Driven by genuine feelings
- Requires patience and understanding
- Builds a strong and healthy relationship

Remember, lust and love are two very different things. While lust may provide temporary satisfaction, it cannot replace the deep and meaningful connection that comes with genuine love. Choose wisely and let your heart lead the way.

Lust For Lust:

Kosher Lust Shmuley Boteach, 2024-01-23 As many as one in three long term marriages in America are sexless and most people accept this as the inevitable course of a romantic relationship In this groundbreaking book Rabbi Shmuley Boteach explains why the prioritizing of love and companionship in marriage is all wrong and why we should not go quietly into that dark night of celibate marriage It is not love Rabbi Shmuley shows but lust that is the glue of a marriage In this book you will learn how to restore lust to its rightful place as the central pillar of marriage You will learn about the three principles of lust and how to tap into them to keep the flames burning in the family hearth Finally you will discover the incredible emotional and spiritual potential of the intimate marital bond In a wide ranging discussion that plumbs the depths of the erotic mind Rabbi Shmuley delivers a revolutionary message with the power to completely transform your most important relationship

Curran,2005-01-06 Pope John Paul II is the second longest serving pope in history and the longest serving pope of the last century His presence has thrown a long shadow across our time and his influence on Catholics and non Catholics throughout the world cannot be denied Much has been written about this pope but until now no one has provided a systematic and thorough analysis of the moral theology that underlies his moral teachings and its astonishing influence And no one is better positioned to do this than Charles E Curran widely recognized as the leading American Catholic moral theologian Curran focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written over the past twenty five years to examine how well the pope has addressed the broad issues and problems in the Church today Curran begins with a discussion of the theological presuppositions of John Paul II s moral teaching and moral theology Subsequent chapters address his theological methodology his ethical methodology and his fundamental moral theology together with his understanding of human life Finally Curran deals with the specific issues of globalization marriage conscience human acts and the many issues involved in social and sexual ethics While finding much to admire Curran is nonetheless fiercely precise in his analysis and rigorously thoughtful in his criticism of much of the methodological aspects of the pope s moral theology in his use of scripture tradition and previous hierarchical teaching in theological aspects including Christology eschatology and the validity of human sources of moral wisdom and knowledge and in anthropology the ethical model and natural law Brilliantly constructed and fearlessly argued this will be the definitive measure of Pope John Paul II s moral theology for years to come A Compendium of the Teachings of Sri Sathya Sai Baba ,2004 This Book Is A Compilation Of Bhagawan Sri
