Foreword by LUCI BAINES JOHNSON

Lyndon Johnson Remembered An Intimate Portrait Of A Presidency

**Mark Atwood Lawrence, Mark K.
Updegrove**

Lyndon Johnson Remembered An Intimate Portrait Of A Presidency:

Lyndon Johnson Remembered Thomas W. Cowger, Sherwin Markman, 2003 In Lyndon Johnson Remembered An Intimate Portrait of a Presidency Thomas W Cowger and Sherwin J Markman bring together essays by Johnson administration insiders reflecting on his personality domestic agenda and legacy **Around the World with LBJ** James U. Cross, Denise Gamino, Gary Rice, 2008-05-15 A delightful honest and entertaining memoir by an Air Force One pilot and member of Lyndon Johnson's inner circle Bill Moyers When Lyndon Baines Johnson wanted to go somewhere there was no stopping him This dynamic president called for Air Force One as others summon a taxi at a moment's notice whatever the hour or the weather And the man who made sure that LBJ got his ride was General James U Cross the president's hand-picked pilot top military assistant and personal confidant In this book he goes on the record for the first time creating a fascinating behind-the-scenes portrait of America's complex often contradictory always larger than life thirty-sixth president In addition to piloting Air Force One around the globe he served the president in multiple capacities including directing the Military Office in the White House managing a secret two million dollar presidential emergency fund supervising the presidential retreat at Camp David the president's entire transportation fleet and the presidential bomb shelters running the White House Mess hiring White House social aides including the president's future son-in-law Charles Robb and writing condolence letters to the families of soldiers killed in Vietnam This wide-ranging around-the-clock access to President Johnson allowed Cross to witness events and share moments that add color and depth to our understanding of one of America's most demanding and unpredictable presidents **Faustian Bargains** Joan Mellen, 2016-09-13 Lyndon Johnson and Mac Wallace crossed paths only briefly but Wallace's life especially one violent episode and its intricate aftermath illuminates the dark side of our 36th president Perhaps no president has a more ambiguous reputation than LBJ A brilliant tactician he maneuvered colleagues and turned bills into law better than anyone But he was trailed by a legacy of underhanded dealings from his stolen Senate election in 1948 to kickbacks he artfully concealed from deals engineered with Texas wheeler dealer Billie Sol Estes and defense contractors like his longtime supporter Brown Root On the verge of investigation Johnson was reprieved when he became president upon JFK's assassination Among the remaining mysteries has been LBJ's relationship to Mac Wallace who in 1951 shot a Texas man having an affair with LBJ's loose cannon sister Josefa also Wallace's lover When arrested Wallace coolly said I work for Johnson I need to get back to Washington Charged with murder he was overnight defended by LBJ's powerful lawyer John Cofer and though convicted amazingly received a suspended sentence He then got high security clearance from LBJ friend and defense contractor D H Byrd which the Office of Naval Intelligence tried to revoke for 11 years without success Using crucial Life magazine and Naval Intelligence files and the unredacted FBI files on Mac Wallace never before utilized by others investigative writer Joan Mellen skillfully connects these two disparate Texas lives and lends stark credence to the dark side of Lyndon Johnson that has largely gone unsubstantiated **Leadership**

Doris Kearns Goodwin, 2019-10-01 From Pulitzer Prize winning author and esteemed presidential historian Doris Kearns Goodwin an invaluable guide to the development and exercise of leadership from Abraham Lincoln Theodore Roosevelt Lyndon B Johnson and Franklin D Roosevelt The inspiration for the multipart HISTORY Channel series Abraham Lincoln and Theodore Roosevelt After five decades of magisterial output Doris Kearns Goodwin leads the league of presidential historians USA TODAY In her inspiring The Christian Science Monitor Leadership Doris Kearns Goodwin draws upon the four presidents she has studied most closely Abraham Lincoln Theodore Roosevelt Franklin D Roosevelt and Lyndon B Johnson in civil rights to show how they recognized leadership qualities within themselves and were recognized as leaders by others By looking back to their first entries into public life we encounter them at a time when their paths were filled with confusion fear and hope Leadership tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to shatter forever their ambitions Nonetheless they all emerged fitted to confront the contours and dilemmas of their times At their best all four were guided by a sense of moral purpose At moments of great challenge they were able to summon their talents to enlarge the opportunities and lives of others Does the leader make the times or do the times make the leader If ever our nation needed a short course on presidential leadership it is now The Seattle Times This seminal work provides an accessible and essential road map for aspiring and established leaders in every field In today's polarized world these stories of authentic leadership in times of apprehension and fracture take on a singular urgency Goodwin's volume deserves much praise it is insightful readable compelling Her book arrives just in time The Boston Globe The Struggle to Limit Government John Samples, 2010-04-21 In 1980 Ronald Reagan said It is time to check and reverse the growth of government which shows signs of having grown beyond the consent of the governed This book surveys the highlights and low points of the nearly 30 year struggle to limit American government set against the big government world of the New Deal and the Great Society **Chronology of the U.S. Presidency** Mathew Manweller, 2012-03-19 This engaging and authoritative four volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States the presidency From George Washington to Barack Obama Chronology of the U S Presidency portrays each of the nation's chief executives in richly observed detail Chapter by chapter we meet the real flesh and blood men occupying the one office elected by the entire country the office that most profoundly affects the workings of the government U S relations with other countries and the everyday lives of all American citizens Spanning four volumes this work covers each president's early life and rise to power the pivotal events during his presidency and when applicable his post presidential life In addition the book includes sections on the First Ladies and presidential families plus primary source documents speeches memos messages to Congress and entertaining FYI facts for example once bitter rivals John Adams and Thomas Jefferson died hours apart on the 50th anniversary of the Declaration of Independence they helped create together More than just names and dates history Chronology of the U S Presidency helps readers understand the ways each of these intriguing men changed the

country and how he in turn was impacted by his time in power **A Companion to Lyndon B. Johnson** Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life, presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office. Explores the legacy of Johnson and the historical significance of his years as president. Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam. Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President.

What Jefferson Read, Ike Watched, and Obama Tweeted Tevi Troy, 2013-09-02 From Cicero to Snooki the cultural influences on our American presidents are powerful and plentiful. Thomas Jefferson famously said I cannot live without books and his library backed up the claim, later becoming the backbone of the new Library of Congress. Jimmy Carter watched hundreds of movies in his White House while Ronald Reagan starred in a few in his own time. Lincoln was a theater goer while Obama kicked back at home to a few episodes of HBO's *The Wire*. America is a country built by thinkers on a foundation of ideas. Alongside classic works of philosophy and ethics, however, our presidents have been influenced by the books, movies, TV shows, viral videos and social media sensations of their day. In *What Jefferson Read, Ike Watched, and Obama Tweeted* 200 Years of Popular Culture in the White House, presidential scholar and former White House aide Tevi Troy combines research with witty observation to tell the story of how our presidents have been shaped by popular culture. [The Liberal Hour](#) G. Calvin Mackenzie, Robert Weisbrot, 2008 A history of the liberal movement in the 1960s argues that the government was largely responsible for many of the positive changes associated with the period in an account that evaluates the cultural and political factors that enabled key reforms. *An Idea Whose Time Has Come* Todd S. Purdum, 2014-04 A top Washington journalist recounts the dramatic political battle to pass the Civil Rights Act of 1964, the law that created modern America on the fiftieth anniversary of its passage. It was a turbulent time in America: a time of sit-ins, freedom rides, a March on Washington, and a governor standing in the schoolhouse door when John F. Kennedy sent Congress a bill to bar racial discrimination in employment, education and public accommodations. Countless civil rights measures had died on Capitol Hill in the past. But this one was different because, as one influential senator put it, it was an idea whose time has come. In a powerful narrative layered with revealing detail, Todd S. Purdum tells the story of the Civil Rights Act of 1964, recreating the legislative maneuvering and the larger-than-life characters who made its passage possible. From the Kennedy brothers to Lyndon Johnson, from Martin Luther King Jr. to Hubert H. Humphrey and Everett Dirksen, Purdum shows how these all-too-human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the U.S. Senate, yet was ultimately adopted with overwhelming bipartisan support. He evokes the high purpose and low dealings that marked the creation of this monumental law, drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history. Often hailed as the most important law of the past century, the Civil Rights

Act stands as a lesson for our own troubled times about what is possible when patience bipartisanship and decency rule the day

The Potlikker Papers John T. Edge, 2018-02-06 The one food book you must read this year Southern Living One of Christopher Kimball's Six Favorite Books About Food A people's history that reveals how Southerners shaped American culinary identity and how race relations impacted Southern food culture over six revolutionary decades Like great provincial dishes around the world potlikker is a salvage food During the antebellum era slave owners ate the greens from the pot and set aside the leftover potlikker broth for the enslaved unaware that the broth not the greens was nutrient rich After slavery potlikker sustained the working poor both black and white In the South of today potlikker has taken on new meanings as chefs have reclaimed it Potlikker is a quintessential Southern dish and The Potlikker Papers is a people's history of the modern South told through its food Beginning with the pivotal role cooks and waiters played in the civil rights movement noted authority John T Edge narrates the South's fitful journey from a hive of racism to a hotbed of American immigration He shows why working class Southern food has become a vital driver of contemporary American cuisine Food access was a battleground issue during the 1950s and 1960s Ownership of culinary traditions has remained a central contention on the long march toward equality The Potlikker Papers tracks pivotal moments in Southern history from the back to the land movement of the 1970s to the rise of fast and convenience foods modeled on rural staples Edge narrates the gentrification that gained traction in the restaurants of the 1980s and the artisanal renaissance that began to reconnect farmers and cooks in the 1990s He reports as a newer South came into focus in the 2000s and 2010s enriched by the arrival of immigrants from Mexico to Vietnam and many points in between Along the way Edge profiles extraordinary figures in Southern food including Fannie Lou Hamer Colonel Sanders Mahalia Jackson Edna Lewis Paul Prudhomme Craig Claiborne and Sean Brock Over the last three generations wrenching changes have transformed the South The Potlikker Papers tells the story of that dynamism and reveals how Southern food has become a shared culinary language for the nation

An Unfinished Love Story Doris Kearns Goodwin, 2024-04-16 The Pulitzer Prize winning historian reflects on her 42 year marriage with Dick Goodwin one of the shining stars of John F Kennedy's New Frontier and the journey of going through the letters diaries documents and memorabilia he saved over the years

Freedom's Pragmatist Sylvia Ellis, 2013-09-24 History has labeled Lyndon B Johnson Lincoln's successor But how did a southern president representing a predominately conservative state with connections to some of the nation's leading segregationists come to play such an influential role in civil rights history In Freedom's Pragmatist Sylvia Ellis tracks Johnson's personal and political civil rights journey from his childhood and early adulthood in Texas to his lengthy career in Congress and the Senate to his time as vice president and president Once in the White House and pressured constantly by grassroots civil rights protests Johnson made a major contribution to the black freedom struggle through his effective use of executive power He provided much needed moral leadership on racial equality secured the passage of landmark civil rights acts that ended legal segregation and ensured voting rights for blacks pushed for affirmative

action introduced antipoverty education and health programs that benefited all and made important and symbolic appointments of African Americans to key political positions Freedom s Pragmatist argues that place historical context and personal ambition are the keys to understanding Johnson on civil rights And Johnson is key to understanding the history of civil rights in the United States Ellis emphasizes Johnson s complex love hate relationship with the South his innate compassion for the disadvantaged and dispossessed and his political instincts and skills that allowed him to know when and how to implement racial change in a divided nation Presidents at War Steven M. Gillon,2025-02-18 Steven M Gillon historian and New York Times bestselling author is back with the story of how WWII shaped the characters and politics of seven American presidents World War II loomed over the latter half of the twentieth century transforming every level of American society and international relationships and searing itself onto the psyche of an entire generation including that of seven American presidents Dwight D Eisenhower John F Kennedy Lyndon B Johnson Richard Nixon Gerald Ford Ronald Reagan and George H W Bush The lessons of World War II more than party affiliation or ideology defined the presidencies of these seven men They returned home determined to confront any force that threatened to undermine the war s hard won ideals each with their own unique understanding of patriotism sacrifice and America s role in global politics In Presidents at War Gillon examines what these men took away from the war and how they then applied it to Cold War policies that proceeded to change America and the world forever A nuanced and deeply researched exploration of the lives philosophies and legacies of seven remarkable men Presidents at War deftly argues that the lessons learned by these postwar presidents continue to shape the landscape upon which current and future presidents stand today Act of War Jack Cheevers,2014-12-02 WINNER OF THE SAMUEL ELIOT MORISON AWARD FOR NAVAL LITERATURE I devoured Act of War the way I did Flyboys Flags of Our Fathers and Lost in Shangri la Michael Connelly 1 New York Times Bestselling Author In 1968 the small dilapidated American spy ship USS Pueblo set out to pinpoint military radar stations along the coast of North Korea Though packed with advanced electronic surveillance equipment and classified intelligence documents its crew led by ex submarine officer Pete Bucher was made up mostly of untested young sailors On a frigid January morning the Pueblo was challenged by a North Korean gunboat When Bucher tried to escape his ship was quickly surrounded by more boats shelled and machine gunned forced to surrender and taken prisoner Less than forty eight hours before the Pueblo s capture North Korean commandos had nearly succeeded in assassinating South Korea s president The two explosive incidents pushed Cold War tensions toward a flashpoint Based on extensive interviews and numerous government documents released through the Freedom of Information Act Act of War tells the riveting saga of Bucher and his men as they struggled to survive merciless torture and horrendous living conditions set against the backdrop of an international powder keg

White House Kids Joe Rhatigan,2016-01-05 Living in America s most famous residence might seem glamorous at first it s the most fun place any kid could live There s a bowling alley in the basement chefs are always available to prepare

whatever you're craving and sometimes presidential aides will even help you with your homework But life isn't always easy for the youngsters who call the White House home They're always in the spotlight and those pesky Secret Service agents are always around For every perk there's a problem From Washington to Obama see the White House through the eyes of the children and grandchildren Filled with wacky weird and wonderful stories it shows what it's like to call the president Dad or Granddad or Uncle Find out what schools they went to what mischief they caused and what pets they had There are first person accounts from letters and interviews fascinating photos original illustrations and even a section that follows the children after they left the White House

The Kennedy Assassination--24 Hours After Steven M Gillon, 2009-10-06 Riding in an open topped convertible through Dallas on November 22 1963 Lyndon B Johnson heard a sudden explosive sound at 12 30 PM The Secret Service sped him away to safety but not until 1 20 PM did he learn that John F Kennedy had been assassinated Sworn in next to a bloodstained Jackie Kennedy at 2 40 PM Johnson worked feverishly until 3 00 in the morning agonizing about the future of both his nation and his party Unbeknownst to him his actions had already determined the tragic outcome of his presidency In November 22 1963 historian Steven Gillon tells the story of how Johnson consolidated power in the twenty four hours following the assassination Based on scrupulous research and new archival sources this gripping narrative sheds new and surprising light on one of the most written about events of the twentieth century

LBJ's America Mark Atwood Lawrence, Mark K. Updegrave, 2023-10-19 Delves into the life and presidency of LBJ illustrating how his policies laid the foundations of contemporary America

The White House Looks South William Edward Leuchtenburg, 2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people's lives and that presidents can be change makers

Sonic Politics Olaf Kaltmeier, Wilfried Raussert, 2019-05-24 This volume analyses the narration of the social through music and the seismographic function of music to detect social problems and envision alternatives Beyond state driven attempts to link musical production to the official narrative of the nation mass musical movements emerged during the 20th century that provided countercultural and alternative narratives of the prevailing social context The Americas contain numerous examples of the strong connection between music and politics Woody Guthrie's *This Land is Your Land* envisioned a socialist transformation of the U S the Chilean Nueva Canci n created a narrative and affective frame for the recognition of popular culture as a central element of the cultural politics of the Chilean way to socialism and Reggae emerged as a response to British colonialism drawing inspiration and guidance from the pan Africanist visions of Marcus Garvey Providing a significant contribution to the study of music and politics social movements from an inter American perspective this book will appeal to students and scholars of U S and Latin American Cultural Studies Transnational Studies History and Political Studies Area Studies and Music Studies For additional information please see the
