for his powerful canvases but for his poetry and essays Townsend Ludington's astute portrait of the artist focuses upon his cosmopolitan sensibility in a generation melding modern art with an American tradition of mystical idealism Ludington views Hartley as an essential American artist embarked on a spiritual odyssey Robert Taylor Boston Globe Years of Friendship, 1944-1956: The Correspondence of Lyonel Feininger and Mark Tobey Achim Moeller, 2024-02-21 In 1944 Lyonel Feininger 1871 1956 wrote his first letter to fellow painter Mark Tobey 1890 1976 after seeing Tobey's first solo show at the Willard Gallery in New York It was the beginning of a close friendship that lasted until Feininger's death i Lyonel Feininger Lyonel Feininger, 1969 German Expressionist Painting, 1957 **Lyonel Feininger, with Essays by Alois J. Schardt and Alfred H. Barr, Jr., and Excerpts from the Artist's Letters** Museum of Modern Art (New York, N.Y.), 1944

German Expressionist Painting Peter Selz, 2023-04-28 Published in 1957 German Expressionist Painting was the first comprehensive study of one of the most pivotal movements in the art of this century When it was written however German Expressionism seemed like an eccentric manifestation far removed from what was then considered the mainstream of modern art But as historians well know each generation alters the concept of mainstream to encompass those aspects of the past which seem most relevant to the present The impact of German Expressionism on the art and thought of later generations could never have been anticipated at the time of the original writing of this book During the subsequent years an enormous body of scholarly research and an even larger number of popular books on German expressionist art has been printed Numerous monographs and detailed studies on most of the artists exist now and countless exhibitions with accompanying catalogues have taken place Much of this new research could have been incorporated in a revised edition and the bibliography certainly could have been greatly expanded to include the important writings which have been published in Germany the United States and elsewhere since this book was originally issued The author however was faced with the choice of reprinting the original text with only the most necessary alterations such as updating the captions to indicate present locations of the paintings or the preparation of a revised text and bibliography Desirable as a revision appeared present printing costs would have priced the paperback out of reach for students It is for this reason that I decided to reissue the original text which stands on its own as a primary investigation of German Expressionist Painting **American Dreams** Williams College.
