Macabre Manifesto:

Macabre Manifesto , Richard Matheson's Monsters June M. Pulliam, Anthony J. Fonseca, 2016-02-02 Richard Matheson was one of the leading writers of science fiction fantasy and horror in the twentieth century Matheson's most famous early works the novels *I Am Legend* 1954 and *The Shrinking Man* 1956 both depict traditionally masculine figures thrust into extraordinary situations Other thought provoking novels including *Hell House* 1971 *Bid Time Return* 1975 and *What Dreams May Come* 1978 as well as short stories and screenplays convey the ambiguous status of masculinity how men should behave vis vis women and what role they should occupy in the family dynamic and in society at large In Richard Matheson's *Monsters* Gender in the Stories Scripts Novels and *Twilight Zone* Episodes June M Pulliam and Anthony J Fonseca examine how this groundbreaking author's writings shed light on society's ever shifting attitudes on masculinity and domesticity In this first full length critical study of Matheson's entire literary output the authors discuss how *I Am Legend* *The Shrinking Man* and other works question traditional male roles The authors examine how Matheson's scripts for *The Twilight Zone* represented changing expectations in male behavior with the onset of the sexual and feminist revolutions industrialization and globalization and other issues In a society where gender roles are questioned every day Matheson's work is more relevant than ever Richard Matheson's *Monsters* will be of interest to scholars of literature film and television as well those interested in gender and masculinity studies **Garrets and Pretenders** Albert Parry, 2013-06-17 Fascinating study recaptures the vibrantly eccentric lifestyles of American hipsters and outsider artists Accurate well illustrated narrative profiles the lives and manners of nonconformists from the early 19th century through the Beat Generation

Manifestos for World Thought Lucian Stone, Jason Bahbak Mohaghegh, 2017-12-18 What are the still unknown horizons of world thought This book brings together prominent scholars from varying disciplines to speculate on this obscure question and the many crossroads that face intellectuals in our contemporary era and its aftermath The result is a collection of manifestos that contemplate a potential global future for thinking itself venturing across some of the most marginalized sectors of East and West with particular emphasis on the Middle Eastern and Islamicate in order to dissect crucial issues of culture society philosophy literature art religion and politics The book explores themes such as as universality translation modernity language history identity resistance ecology catastrophe memory and the body offering a groundbreaking alignment of texts and ideas with far reaching implications for our time and beyond ***African Cinema: Manifesto and Practice for Cultural Decolonization*** Michael T. Martin, Gaston Jean-Marie Kaboré, 2023-08-08 Challenging established views and assumptions about traditions and practices of filmmaking in the African diaspora this three volume set offers readers a researched critique on black film Volume One of this landmark series on African cinema draws together foundational scholarship on its history and evolution Beginning with the ideological project of colonial film to legitimize the economic exploitation and cultural hegemony of the African continent during imperial rule to its counter historical formation and

theorization It comprises essays by film scholars and filmmakers alike among them Roy Armes Med Hondo Frid Boughedir Haile Gerima Oliver Barlet Teshome Gabriel and David Murphy including three distinct dossiers a timeline of key dates in the history of African cinema a comprehensive chronicle and account of the contributions by African women in cinema and a homage and overview of Ousmane Semb ne the Father of African cinema **The Last Genet** Hadrien Laroche,2010-10-05 The final decades of Jean Genet s life were preoccupied with the struggles of the disenfranchised the Black Panthers Baader Meinhoff and the Palestinians Laroche s book is a careful philosophical and historical reading of these groups and Genet s relation to them Magical Realism Lois Parkinson Zamora,Wendy B. Faris,1995 On magical realism in literature Love Beyond Death Rudolph Binion,1993-02 Identifies a trend in 19th century art and literature that reconciled love and death demonstrates how it constituted a break from ideas in the premodern era and surveys some of its modern manifestations Annotation copyright by Book News Inc Portland OR *Good and Evil* Bhimeswara Challa,2021-09-03 By any measure we are at an inflection point in human history As the ongoing coronavirus pandemic has shown it is not only the planet that is at risk but our very destiny We must take an unblinking look at who we are compared with who we want to be or ought to be That entails going within to discover what is happening deep inside our consciousness This book suggests that the root of our troubles is our ignorance that there is a perennial war within each of us between good and evil Like in any war both sides need supplies But in this internal war they must come from outside in the shape of our daily doings and choices As you read you ll get a roadmap on how to make better decisions and contain the evil within Get answers to questions such as Why must we fix the inside before fixing the outside How can we prevent evil from overwhelming our consciousness How can the good inside of us overwhelm the bad outside There is no nobler calling for any of us at this pivotal point than to volunteer to join others committed to bettering themselves so we can rescue mankind from self annihilation **A Tale of Magic...** Chris Colfer,2019-10-01 This 1 New York Times bestseller is the first book in a new series set in Chris Colfer s Land of Stories universe perfect for both new and longtime fans When Brystal Evergreen stumbles across a secret section of the library she discovers a book that introduces her to a world beyond her imagination and learns the impossible She is a fairy capable of magic But in the oppressive Southern Kingdom women are forbidden from reading and magic is outlawed so Brystal is swiftly convicted of her crimes and sent to the miserable Bootstrap Correctional Facility But with the help of the mysterious Madame Weatherberry Brystal is whisked away and enrolled in an academy of magic Adventure comes with a price however and when Madame Weatherberry is called away to attend to an important problem she doesn t return Do Brystal and her classmates have what it takes to stop a sinister plot that risks the fate of the world and magic forever Fall in love with an all new series from Chris Colfer the 1 New York Times bestselling author of the Land of Stories filled with adventure imagination and wonderfully memorable characters both familiar and new A 1 New York Times bestsellerAn IndieBound bestseller A USA Today bestseller A Wall Street Journal bestseller Don t miss A TALE OF WITCHCRAFT A Tale of Magic...

Century presents the emerging ideas and insights from experts academicians and professionals on the role media and new media plays in terrorist propaganda from a critical international perspective It examines the historical relation between media and terror and analyzes the difficulties and obstacles presented by the relation in the 21st century Covering topics such as AI based dataveillance media development trends and virtual terrorism this book is an indispensable resource for government officials communications experts politicians security professionals sociologists students and educators of higher education researchers and academicians *Buffy, Ballads, and Bad Guys Who Sing* Kendra Preston Leonard, 2010-11-16

When writer and director Joss Whedon created the character Buffy the Vampire Slayer he could hardly have expected the resulting academic interest in his work Yet almost six years after the end of Buffy on television Buffy studies and academic work on Whedon's expanding oeuvre continue to grow Now with three hugely popular television shows Buffy the Vampire Slayer Angel and Firefly and the film Serenity all available on DVD scholars are evaluating countless aspects of the Whedon universe or Whedonverse Buffy Ballads and Bad Guys Who Sing Music in the Worlds of Joss Whedon studies the significant role that music plays in these works from Buffy the Vampire Slayer to the internet musical Dr Horrible's Sing Along Blog Kendra Preston Leonard has collected a varying selection of essays that explore music and sound in Joss Whedon's works The essays investigate both diegetic and non diegetic music considering music from various sources including the shows original scores music performed by the characters themselves and music contributed by such artists as Michelle Branch The Sex Pistols and Sarah McLachlan as well as classical composers like Camille Saint Saëns and Johannes Brahms The approaches incorporate historical and theoretical musicology feminist and queer musicology media studies cultural history and interdisciplinary readings The book also explores the compositions written by Whedon himself the theme music for Firefly and two fully integrated musicals the Buffy episode Once More With Feeling and Dr Horrible's Sing Along Blog With several musical examples a table with a full breakdown of the Danse Macabre scene from the acclaimed Buffy episode Hush and an index this volume will be fascinating to students and scholars of science fiction television film and popular culture [Stop the Machines](#) Mauro Lubrano, 2025-07-11

As we stand on the cusp of an AI revolution will we see the rise of a new anti technology extremism that threatens to dismantle the gains of modern civilization In the first exploration of this phenomenon Mauro Lubrano traces the origins and evolution of anti technology violence across the globe He identifies three main groups fuelling such resistance insurrectionary anarchists eco extremists and eco fascists Exploring the justifications that underlie the opposition to technology and the strategies employed to stop the machines he shows how anti tech extremism has emerged as a reaction to the Anthropocene an attempt to undo the epoch of human domination The intellectual flexibility of this ideology lends itself to different causes from the class struggle against the techno elites to the defence of nature and white supremacy With fears about the risks of artificial intelligence mounting and the world beset by serious polycrises what is currently a fragmented fringe phenomenon holds the potential for dramatic escalation **Our Violent World** Kevin

McDonald,2013-05-14 What can the analysis of violence and terror tell us about the modern world Why is violence often used to achieve religious cultural or political goals Can we understand the search for the extreme that increasingly shapes violence today From 1960s student movements to today s global jihad this text explores the factors and debates shaping violence and terrorism in our contemporary society Each chapter confronts examples of disturbing terrorist acts and events of mass violence from recent history and uses these to examine key questions theories and concepts surrounding this sensitive and controversial topic In particular the book Identifies core tools for the analysis of public violence Explores the processes that mutate social movements into violent groups Describes the cultural embodied experiential and imagined dimensions of violence Highlights different periods and varying forms of terrorist violence Examines the role of globalization media technology and the visual in violence and terror today Our Violent World shows how the social sciences can contribute to an understanding of violence and responses to terror as well as the construction of a social world less dominated by fear of the other It is a must read for students and citizens Investigating Modern Art Liz Dawtrey,Elizabeth Dawtrey,Toby Jackson,Mary Masterton,Pam Meecham,Paul Wood,1996-01-01 Modern art sometimes seems difficult or even impossible to understand In this appealing book modern art becomes accessible through clear and informative discussions about modern artists art movements and art works Charting the development of modern art from the nineteenth century through the present day each chapter focuses on particular artists and works of art placing them in their artistic contexts and discussing them from a variety of viewpoints Issues of gender and ethnicity criticisms of the accepted canon of modern art and important social and political influences on the institutions of art are woven into the discussion of key artists such as Picasso Matisse Pollock and Warhol and movements such as Cubism Surrealism Abstract Impressionism and Minimal Art

Werewolves, Wolves and the Gothic ,2017-09-15 Wolves lope across Gothic imagination Signs of a pure animality opposed to humanity in the figure of the werewolf they become liminal creatures that move between the human and the animal Werewolves function as a site for exploring complex anxieties of difference of gender class race space nation or sexuality but the imaginative and ideological uses of wolves also reflect back on the lives of material animals long persecuted in their declining habitats across the world Werewolves therefore raise unsettling questions about the intersection of the real and the imaginary the instability of human identities and the worldliness and political weight of the Gothic This is the first volume concerned with the appearance of werewolves and wolves in literary and cultural texts from the mid nineteenth century to the present Drawing on representations of werewolves and wolves in literature film television and visual culture the essays investigate the key texts of the lycanthropic canon alongside lesser known works from the 1890s to the present The result is an innovative study that is both theoretically aware and historically nuanced featuring an international list of established and emerging scholars based in Britain Europe North America and Australia **Mind-Bending Black Operations, Weapons Systems and Experiments by Extraterrestrials, Grays and Governments:the Hidden World of the Anunnaki, Ulema,**
