

MAJOR GENERAL JOHN ALEXANDER
MCCLERNAND

POLITICIAN IN UNIFORM

RICHARD L. KIPER

Major General John Alexander McClernand Politician In Uniform

Aaron Sheehan-Dean

Major General John Alexander McClernand Politician In Uniform:

Major General John Alexander McClernand Richard L. Kiper, 1999 A sympathetic assessment of Major General John Alexander McClernand a highly controversial individual who served his country as soldier and statesman It sheds light on the Union command systems and the politics of war as well as the personalities and relationships among senior officers

Politician in Uniform Richard L. Kiper, 1998 **Union General John A. McClernand and the Politics of Command** Christopher C. Meyers, 2010-10-25 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernand s political career with his military leadership and his place in the Union command structure A Politician Turned General Jeffrey Norman Lash, 2003 A Politician Turned General offers a critical examination of the turbulent early political career and the controversial military service of Stephen Augustus Hurlbut an Illinois Whig Republican politician and Northern political general who rose to distinction as a prominent member of the Union high command in the West during the Civil War Though traditionally there are two different characterizations of those who exercised command during the Civil War soldier politician and the political generals Hurlbut was viewed as a military politician This book provides an important study of another friend and or political supporter of Lincoln who rose to general during the war and gained important appointments after the war This first biography of Hurlbut chronicles the early life and the Civil War career of one of Abraham Lincoln s foremost military appointments Through exhaustive research of primary and secondary sources author Jeffrey N Lash identifies and evaluates the successes and failures of Hurlbut s generalship and combat leadership both as a field commander in Missouri in 1861 and as a division commander at the Battles of Shiloh and Hatchie Bridge in 1862 Featuri **Lincoln's Political Generals** Benton Rain Patterson, 2014-08-21 Lincoln s most controversial generals his so called political generals were appointed promoted or kept in service for political purposes without regard for their competence It seems but little better than murder the Army s general in chief Henry Halleck protested to give important commands to such men The book shows these seven generals Butler Banks Sigel Fremont McClernand Hurlbut and Wallace in action allowing readers to decide for themselves if Halleck was right in his withering assessment of Lincoln s political generals **Champion Hill** Timothy B. Smith, 2004-08-19 The Mississippi battle between Grant s and Pemberton s forces that sealed Vicksburg s fate The Battle of Champion Hill was the decisive land engagement of the Vicksburg Campaign The fighting on May 16 1863 took place just twenty miles east of the river city where the advance of Gen Ulysses S Grant s Federal army attacked Lt Gen John C Pemberton s hastily gathered Confederates The bloody fighting seesawed back and forth until superior Union leadership broke apart the Southern line sending Pemberton s army into headlong retreat The victory on Mississippi s wooded hills

sealed the fate of both Vicksburg and her large field army propelled Grant into the national spotlight and earned him the command of the entire US armed forces Timothy Smith a historian for the National Park Service has written the definitive account of this long overlooked battle This book winner of a nonfiction prize from the Mississippi Institute of Arts and Letters is grounded upon years of primary research rich in analysis and strategic and tactical action and a compelling read

Stanton Walter Stahr,2017-08-08 New York Times bestselling author Walter Stahr tells the story of Edwin Stanton who served as Secretary of War in Abraham Lincoln s cabinet This exhaustively researched well paced book should take its place as the new standard biography of the ill tempered man who helped to save the Union It is fair judicious authoritative and comprehensive The Wall Street Journal Of the crucial men close to President Lincoln Secretary of War Edwin Stanton 1814 1869 was the most powerful and controversial Stanton raised armed and supervised the army of a million men who won the Civil War He directed military movements He arrested and imprisoned thousands for war crimes such as resisting the draft or calling for an armistice Stanton was so controversial that some accused him at that time of complicity in Lincoln s assassination He was a stubborn genius who was both reviled and revered in his time Stanton was a Democrat before the war and a prominent trial lawyer He opposed slavery but only in private He served briefly as President Buchanan s Attorney General and then as Lincoln s aggressive Secretary of War On the night of April 14 1865 Stanton rushed to Lincoln s deathbed and took over the government since Secretary of State William Seward had been critically wounded the same evening He informed the nation of the President s death summoned General Grant to protect the Capitol and started collecting the evidence from those who had been with the Lincolns at the theater in order to prepare a murder trial Now Walter Stahr s highly recommended Library Journal starred review essential book is the first major account of Stanton in fifty years restoring this underexplored figure to his proper place in American history A lively lucid and opinionated history Kirkus Reviews starred review Nothing but Victory Steven E. Woodworth,2007-12-18 Composed almost entirely of Midwesterners and molded into a lean skilled fighting machine by Ulysses S Grant and William Tecumseh Sherman the Army of the Tennessee marched directly into the heart of the Confederacy and won major victories at Shiloh and at the rebel strongholds of Vicksburg and Atlanta Acclaimed historian Steven Woodworth has produced the first full consideration of this remarkable unit that has received less prestige than the famed Army of the Potomac but was responsible for the decisive victories that turned the tide of war toward the Union The Army of the Tennessee also shaped the fortunes and futures of both Grant and Sherman liberating them from civilian life and catapulting them onto the national stage as their triumphs grew A thrilling account of how a cohesive fighting force is forged by the heat of battle and how a confidence born of repeated success could lead soldiers to expect nothing but victory *Grant and Sherman* Charles Bracelen Flood,2006-10-24 Moving and elegantly written this study is riveting history a gripping portrait of two men whose friendship forged under fire on the Civil War s greatest battlefields would set the stage for the crucial final year of the war

Washington Roebling's Civil War Diane Monroe Smith, 2019-07-01 Washington Roebling is well known as the man who supervised construction of the Brooklyn Bridge His path to overseeing that monumental task began during the Civil War In addition to his brave dramatic actions at Gettysburg his Civil War service was remarkable artilleryman bridge builder scout balloonist mapmaker engineer and staff officer His story reveals much about Gettysburg but also about Civil War intelligence and engineering and the politics and infighting within the Army of the Potomac s high command Roebling s service leadership engineering decision making and managing personalities and politics prepared him well for overseeing the Brooklyn Bridge *The Cambridge History of the American Civil War: Volume 2, Affairs of the State* Aaron Sheehan-Dean, 2019-10-31 This volume explores the political and social dimensions of the Civil War in both the North and South Millions of Americans lived outside the major campaign zones so they experienced secondary exposure to military events through newspaper reporting and letters home from soldiers Governors and Congressmen assumed a major role in steering the personnel decisions strategic planning and methods of fighting but regular people also played roles in direct military action as guerrilla fighters as nurses and doctors and as military contractors Chapters investigate a variety of aspects of military leadership and management including coverage of technology discipline finance the environment and health and medicine Chapters also consider the political administration of the war examining how antebellum disputes over issues such as emancipation and the draft resulted in a shift of partisan dynamics and the ways that people of all stripes took advantage of the flux of war to advance their own interests Assembly West Point Association of Graduates (Organization), 1999 Vicksburg and Chattanooga Jack H. Lepa, 2014-09-24 Few Civil War events produced more important strategic results for the Union than the taking of Vicksburg and Chattanooga Along with the Federal triumph at Gettysburg these gains were decisive in bringing about final Union victory Ulysses S Grant was the man in charge of the Federal forces His solid competence and willingness to take calculated risks enabled him to overcome the twin challenges of difficult terrain and heroic Confederate resistance at Vicksburg and to prevail against seemingly unassailable enemy positions at Chattanooga This book is the story of the courage and determination that accompanied the triumphs and blunders of both sides *Parameters* , 2000 **Vicksburg** Donald L. Miller, 2020-10-20 Winner of the Civil War Round Table of New York s Fletcher Pratt Literary Award Winner of the Austin Civil War Round Table s Daniel M Marilyn W Laney Book Prize Winner of an Army Historical Foundation Distinguished Writing Award A superb account The Wall Street Journal of the longest and most decisive military campaign of the Civil War in Vicksburg Mississippi which opened the Mississippi River split the Confederacy freed tens of thousands of slaves and made Ulysses S Grant the most important general of the war Vicksburg Mississippi was the last stronghold of the Confederacy on the Mississippi River It prevented the Union from using the river for shipping between the Union controlled Midwest and New Orleans and the Gulf of Mexico The Union navy tried to take Vicksburg which sat on a high bluff overlooking the river but couldn t do it It took Grant s army and Admiral

David Porter's navy to successfully invade Mississippi and lay siege to Vicksburg forcing the city to surrender. In this elegant enlightening well researched and well told Publishers Weekly work Donald L. Miller tells the full story of this year long campaign to win the city with probing intelligence and irresistible passion. Booklist He brings to life all the drama characters and significance of Vicksburg a historic moment that rivals any war story in history. In the course of the campaign tens of thousands of slaves fled to the Union lines where more than twenty thousand became soldiers while others seized the plantations they had been forced to work on destroying the economy of a large part of Mississippi and creating a social revolution. With Vicksburg Miller has produced a model work that ties together military and social history. Civil War Times Vicksburg solidified Grant's reputation as the Union's most capable general. Today no general would ever be permitted to fail as often as Grant did but ultimately he succeeded in what he himself called the most important battle of the war the one that all but sealed the fate of the Confederacy.

Lincoln and Grant Edward H. Bonekemper, 2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S. Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War. Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates.

This Mighty Scourge James M. McPherson, 2009-10-12 The author of the Pulitzer Prize winning Battle Cry of Freedom and the New York Times bestsellers Crossroads of Freedom and Tried by War among many other award winning books James M. McPherson is America's preeminent Civil War historian. In this collection of provocative and illuminating essays McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation's history. McPherson sheds light on topics large and small from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South. Readers will find insightful pieces on such intriguing figures as Harriet Tubman John Brown Jesse James and William Tecumseh Sherman and on such vital issues as Confederate military strategy the failure of peace negotiations to end the war and the realities and myths of the Confederacy. This Mighty Scourge includes several never before published essays pieces on General Robert E. Lee's goals in the Gettysburg campaign on Lincoln and Grant in the Vicksburg campaign and on Lincoln as Commander in Chief. All of the essays have been updated and revised to give the volume greater thematic coherence and continuity so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world. Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation's leading authority on the Civil War.

Practical Liberators Kristopher A. Teters, 2018-04-24 During the first fifteen months of the Civil War the policies and attitudes of Union officers toward emancipation in the western theater were at best inconsistent and fraught with internal strains. But after Congress passed the Second Confiscation Act in 1862 army policy became mostly consistent in its support of liberating the slaves in general in spite of Union army officers

differences of opinion By 1863 and the final Emancipation Proclamation the army had transformed into the key force for instituting emancipation in the West However Kristopher Teters argues that the guiding principles behind this development in attitudes and policy were a result of military necessity and pragmatic strategies rather than an effort to enact racial equality Through extensive research in the letters and diaries of western Union officers Teters demonstrates how practical considerations drove both the attitudes and policies of Union officers regarding emancipation Officers primarily embraced emancipation and the use of black soldiers because they believed both policies would help them win the war and save the Union but their views on race actually changed very little In the end however despite its practical bent Teters argues the Union army was instrumental in bringing freedom to the slaves *Grant and Lee* Edward H. Bonekemper, III, 2012-12-10

Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III *Grant and Lee* clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle

General John A. Rawlins Allen J. Ottens, 2021-08-03 No one succeeds alone and Ulysses S Grant was no exception From the earliest days of the Civil War to the heights of Grant s power in the White House John A Rawlins was ever at Grant s side Yet Rawlins s role in Grant s career is often overlooked and he barely received mention in Grant s own two volume *Memoirs* General John A Rawlins No Ordinary Man by Allen J Ottens is the first major biography of Rawlins in over a century and traces his rise to assistant adjutant general and ultimately Grant s secretary of war Ottens presents the portrait of a man who teamed with Grant who submerged his needs and ambition in the service of Grant and who at times served as the doubter who questioned whether Grant possessed the background to tackle the great responsibilities of the job Rawlins played a pivotal role in Grant s relatively small staff acting as administrator counselor and defender of Grant s

burgeoning popularity Rawlins qualifies as a true patriot a man devoted to the Union and devoted to Grant His is the story of a man who persevered in wartime and during the tumultuous years of Reconstruction and who despite a ravaging disease that would cut short his blossoming career grew to become a proponent of the personal and citizenship rights of those formerly enslaved General John A Rawlins will prove to be a fascinating and essential read for all who have an interest in leadership the Civil War or Ulysses S Grant

Embracing the Track of Appearance: An Mental Symphony within **Major General John Alexander Mcclernand Politician In Uniform**

In a world consumed by monitors and the ceaseless chatter of immediate communication, the melodic beauty and emotional symphony produced by the written word usually disappear into the background, eclipsed by the constant sound and distractions that permeate our lives. Nevertheless, situated within the pages of **Major General John Alexander Mcclernand Politician In Uniform** a marvelous literary prize full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that captivating masterpiece conducts readers on a psychological trip, well unraveling the hidden songs and profound affect resonating within each carefully crafted phrase. Within the depths of this poignant assessment, we shall examine the book is central harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
