**See You On Venus!**

Geoffrey j Canavan, 2011-08 See You on Venus is a book about learning to let go of your investment in self imposed limitations so that you can dismantle the blocks you have created to your innate freedom success choice happiness and completion It is also a book about hope observation and reconnecting with your lost self the self of perfect success happiness and harmony Like a half remembered song each one of us carries a distant memory of how that perfection feels but this memory is clouded by what we have learned on our journey through life The message is simple you have the power to bring together the parts of yourself that have become fragmented and to become one daring and truthful realization of the perfect star you truly are See You on Venus shows that you can stop undermining yourself and that you can hold the belief of the truth of what you can be Remember never lose moments in your own time when a decision to make a new choice or to see the world in a new way can be so freeing Whatever aspect of your life you want to focus on however you define success or happiness wherever you want to take that inner perfection it s really only a matter of realizing the unlimited resource that you already are and always were and reconnecting with what you have forgotten about your perfect self We all start perfectly successful We all start complete We acquire failure Real success is based on who we are within rather than anything we come by externally The willingness to look at ourselves in a light of perfection success inclusion and completion provides a real opportunity to move forward in the true meaning of peace and happiness In this book Geoffrey Canavan explores the intrinsic nature of success and produces a universal road map for real life that can be tailored to corporate or individual needs A must read for business and individual decision making Jerry Flynn MD Sony Pictures There is a way of thinking that will bring peace and happiness into our life that will free us to the memory of a perfectly whole completely loving and forgotten Self It is an awareness that mystics and philosophers through the ages have tried to explain and teach how to access Geoffrey Canavan is a modern mystic with the unique ability of explaining why and how our lives function the way they do and most importantly in concepts we can relate to and using language we understand showing us how to make choices that will change our self perception and then the world that it has made for us In a world made from the belief that there is something wrong with me See You On Venus offers a refreshing and needed alternative to the beliefs that have made the ego s perception seem true In a world given to finding better ways to defend ourselves and maintain the distance between us it offers a way to find real healing through forgiveness and joining For anyone willing to be truly happy or to risk finding the truth of who and what they really are See You On Venus will be a blessing and a joy Tom Carpenter Author and founder of The Forgiveness Project More than ever individuals families organizations and governments need to create a vision for success that helps to deliver true happiness abundance and freedom Geoffrey Canavan shows us the way Robert Holden Ph D author of Shift Happens Happiness Now Success Intelligence and Be Happy As things tighten up the drive to
